ORDER IN COUNCIL.

EXTRADITION TREATY—REPUBLIC OF BOLIVIA.

Balmoral, 20th October, 1898.

At the Court at Balmoral, the 20th day of October, 1898.

PRESENT:

The QUEEN'S Most Excellent Majesty.
Duke of Fife.
Earl of Kintore.
Lord George Hamilton.

Whereas by the Extradition Acts, 1870 to 1895, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State ; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient.

And whereas a Treaty was concluded on the twenty-second day of February, one thousand eight hundred and ninety-two, between Her Majesty and His Excellency the President of the Republic of Bolivia, for the mutual extradition of fugitive criminals, which Treaty is in the terms following :—

" Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and His Excellency the President of the Republic of Bolivia, having judged it expedient, with a view to the better administration of justice and to the prevention of crime within the two countries and their jurisdictions, that persons charged with or convicted of the crimes or offences hereinafter enumerated, and being fugitives from justice, should, under certain circumstances, be reciprocally delivered up, have named as their Plenipotentiaries to conclude a Treaty (that is to say) :

" Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Her Chargé d'Affaires *ad interim* Mr. George Jenner ;

" And His Excellency the President of the Republic of Bolivia, Senor Don José Manuel Braun, Envoy Extraordinary and Minister Plenipotentiary in Peru ;

" Who, after having communicated to each other their respective full powers, found in good and due form, have agreed upon and concluded the following Articles :—

" ARTICLE I.

" The high contracting parties engage to deliver up to each other, under certain circumstances and conditions stated in the present Treaty, those persons who, being accused or convicted of any of the crimes or offences enumerated in Article II, committed in the territory of the one party, shall be found within the territory of the other party.

" 3. Administering drugs or using instruments with intent to procure the miscarriage of women.

" 8. Abduction.

" 9. Bigamy.

" 10. Maliciously wounding or inflicting grievous bodily harm.

" 23. Dealing in slaves in such manner as to constitute a criminal offence against the laws of both States.

" The extradition is also to be granted for participation in any of the aforesaid crimes, provided such participation be punishable by the laws of both contracting parties.

" Extradition may also be granted at the discretion of the State applied to in respect of any other crime for which, according to the laws of both the contracting parties for the time being in force, the grant can be made.

" ARTICLE III.

" Either Government reserves the right to refuse or grant the surrender of its own subjects or citizens to the other Government.

" ARTICLE IV.

" The extradition shall not take place if the person claimed on the part of Her Majesty's Government, or the person claimed on the part of the Government of Bolivia has already been tried and discharged or punished, or is still under trial in the territory of the Republic of Bolivia or in the United Kingdom respectively for the crime for which his extradition is demanded.

" If the person claimed on the part of Her Majesty's Government or on the part of the Government of Bolivia, should be under examination for any other crime in the territory of the Republic of Bolivia or in the United Kingdom respectively, his extradition shall be deferred until the conclusion of the trial, and the full execution of any punishment awarded to him.

" ARTICLE V.

" The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applying or applied to.

" It shall likewise not take place when, according to the laws of either country, the maximum punishment for the offence is imprisonment for less than one year.

" ARTICLE VI.

" A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove that the requisition for his surrender has, in fact, been made with a view to try or punish him for an offence of a political character.

" ARTICLE VII.

" A person surrendered can in no case be kept in prison or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or has had an opportunity of returning, to the State by which he has been surrendered.

" This stipulation does not apply to crimes committed after the extradition.

" ARTICLE VIII.

" The requisition for extradition shall be made through the Diplomatic Agents of the high contracting parties respectively.

“The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

“If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

“A sentence passed *in contumaciam* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

“ARTICLE IX.

“If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

“ARTICLE X.

“A fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings, as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two contracting parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. He shall, in accordance with this article, be discharged, as well in the Republic of Bolivia as in the United Kingdom, if within the term of sixty days a requisition for extradition shall not have been made by the Diplomatic Agent of his country in accordance with the stipulations of this Treaty. The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may came into a port of the other.

“ARTICLE XI.

“The extradition shall take place only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to; and no criminal shall be surrendered until after the expiration of fifteen days from the date of his committal to prison to await the warrant for his surrender.

“ARTICLE XII.

“In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as valid evidence the sworn depositions or statements of witnesses taken in the other State, or copies thereof and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating, the fact of a conviction, provided the same are authenticated as follows:—

“1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the other State.

“2. Depositions, or affirmations, or the copies thereof, must purport to be certified, under the hand of a Judge, Magistrate, or officer of the other State, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

“3. A certificate of, or judicial document stating, the fact of a conviction must purport to be certified by a Judge, Magistrate, or officer of the other State.

“4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of the other State; but any other mode of authentication for the time being permitted by the law of the country where the examination is taken may be substituted for the foregoing.

“ARTICLE XIII.

“If the individual claimed by one of the high contracting parties in pursuance of the present Treaty should be also claimed by one or several other Powers on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

“ARTICLE XIV.

“If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

“ARTICLE XV.

“All articles seized which were in the possession of the person to be surrendered at the time of his apprehension shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

“ARTICLE XVI.

“All expenses connected with extradition shall be borne by the demanding State.

“ARTICLE XVII.

“The stipulations of the present Treaty shall be applicable to the Colonies and foreign possessions of Her Britannic Majesty, so far as the laws for the time being in force in such Colonies and foreign possessions respectively will allow.

“The requisition for the surrender of a fugitive criminal, who has taken refuge in any of such Colonies or foreign possessions, shall be made to the Governor or chief authority of such Colony or possession by the chief Consular officer of the Republic of Bolivia in such Colony or possession.

“Such requisition may be disposed of, subject always, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, to the provisions of this treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

“Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Bolivian criminals who may take refuge within such Colonies and foreign possessions, on the basis, so far as the law of such Colony or foreign possession will allow, of the provisions of the present Treaty.

“Requisitions for the surrender of a fugitive criminal emanating from any Colony or foreign possesion of Her Britannic Majesty shall be governed by rules laid down in the preceding Articles of the present Treaty.

“ARTICLE XVIII.

“The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the high contracting parties. It may be terminated by either of the high contracting parties by a notice not exceeding one year, and not less than six months.

“The Treaty, after receiving the approval of the Congress of the Republic of Bolivia, shall be ratified, and the ratifications shall be exchanged at Lima as soon as possible.

"In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

"Done at Lima, on the twenty-second day of February, one thousand eight hundred and ninety-two.

"G. JENNER.
"J. M. BRAUN."

And whereas the ratifications of the said Treaty were exchanged at Lima on the seventh day of March, one thousand eight hundred and ninety-eight.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the fourth day of November, one thousand eight hundred and ninety-eight, the said Acts shall apply in the case of Bolivia, and of the said Treaty with the President of the Republic of Bolivia.

Provided always, that the operation of the said Acts, shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in one thousand eight hundred and eighty-six, and entitled "An Act respecting the extradition of Fugitive Criminals," shall continue in force there, and no longer.

ARTICLE X.

A criminal fugitive may be apprehended under a warrant issued by any Police Magistrate, Justice of Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings, as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two contracting parties in which the Magistrate, Justice of Peace, or other competent authority, exercises juridiction; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. 3. A certificate of, or judicial document stating, the fact of a conviction must purport to be certified by a Judge, Magistrate, or officer of the other State.
4. ARTICLE XIII.

If the individual claimed by one of the high contracting parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to the State whose demand is earliest in date.

ARTICLE XIV.

If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

ARTICLE XV.

All articles seized which were in the possession of the person to be surrendered, at the time of his apprehension, shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

ARTICLE XVI.

All expenses connected with extradition shall be borne by the demanding State.

ARTICLE XVII.

The stipulations of the present Treaty shall be applicable to the colonies and foreign possessions of

Her Britannic Majesty, so far as the laws in such colonies and foreign possessions respectively will allow.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of such colonies or foreign possessions shall be made to the Governor or chief authority of such colony or possession by the chief consular officer of the Republic of Chile in such colony or possession.

Such requisition may be disposed of, subject always, as nearly as may be, and so far as the law of such colony or foreign possession will allow, to the provisions of this Treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Chilean criminals, who may take refuge within such colonies and foreign possessions, on the basis, so far as the law of such colony or foreign possession will allow, of the provisions of the present Treaty.

Requisitions for the surrender of a fugitive criminal emanating from any colony or foreign possession of Her Britannic Majesty shall be governed by rules laid down in the preceding Articles of the present Treaty.

ARTICLE XVIII.

The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the high contracting parties. It may be terminated by either of the high contracting parties by a notice not exceeding one year, and not less than six months.

It shall be ratified, after receiving the approval of the Congress of the Republic of Chile, and the ratifications shall be exchanged at Santiago as soon as possible.

In witness whereof the respective Plenipotentiaries have signed the same, and affixed thereto their respective seals.

Done at Santiago, the twenty-sixth day of January, in the year 1897.

[L.S.] J. G. KENNEDY,
[L.S.] C. MORLA VICUNA.

And whereas the ratifications of the said Treaty were exchanged at Santiago, on the fourteenth day of April, one thousand eight hundred and ninety-eight.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the twenty-second day of August, one thousand eight hundred and ninety-eight, the said Acts shall apply in the case of Chile, and of the said Treaty with the President of the Republic of Chile.

Provided always that the operation of the said Acts shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in 1886, and entitled, "An Act respecting the extradition of Fugitive Criminals," shall continue in force there, and no longer.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 30th day of September, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a report, dated 23rd September, 1898, from the Minister of the Interior, stating that some inconvenience and misapprehension have arisen and are likely to continue to arise in the minds of the public from the fact of several of the Land Agency Districts in Manitoba and the Territories bearing different designations from those by which such Districts are commonly known and which are derived from the names at the central points at which the Land Agency Offices are actually located.

The Minister therefore recommends, in order that the names of these Land Agency Districts may bear some more convenient and exact relation to the locality of the lands embraced within their boundaries, that the following changes be made in the names of those Districts hereafter enumerated :—

Souris	to be hereafter	Brandon.
Saskatchewan	"	Minnedosa.
Lake Dauphin	"	Dauphin.
Touchwood	"	Yorkton.
Qu'Appelle	"	Regina.
Coteau	"	Alameda.

The Committee submit the same for Your Excellency's approval.

JOHN J. McGEE,
23–4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 19th day of November, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 10th November, 1898, from the Minister of the Interior, stating that the Government of the North-west Territories, through the Deputy Commissioner of Public Works at Regina, have made application to have permanently set aside from sale or settlement, as a public water reserve, the south-east quarter of Section 27, Township 18, Range 17 west of the 2nd Meridian, on account of some springs which are located therein.

The Minister states that the above mentioned quarter-section was reserved to the Canadian Pacific Railway Company as a portion of their land grant, but that company having agreed to waive their claim thereto, the south-east quarter of Section 21, Township 16, Range 2 east of the 1st Meridian, at their request, has been granted to them in lieu of the first mentioned land.

The Minister recommends that the said south-east quarter of Section 27, Township 18, Range 17 west of the 2nd Meridian be reserved during pleasure for the purpose of furnishing water supply to the settlers in the vicinity of such land.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,
23–4 Clerk of the Privy Council.

NOTICE TO MARINERS.

No. 77 of 1898.

DOMINION OF CANADA—BRITISH COLUMBIA.

I. Tide gauges on Kelp bar, Baynes Sound.

Rough tide gauges, established by Commander Morris H. Smith, R.N., H. M. surveying ship "Egeria," on the two pile beacons marking the channel across Kelp bar, Baynes Sound, Gulf of Georgia, coast of Vancouver Island, will hereafter be maintained by this Department.

A large white board marked XXV has been placed on each of the two beacons. When the water is level with the bottom of the figures there will be 25 feet on the shallowest part of the crossing.

Four horizontal battens have been placed below each of these boards at intervals of one foot apart to assist the eye in estimating the height of the water at any time and the consequent depth on the bar.

The least water will be found when abreast the inner beacon. Ships should be steering N. by E. ½ E. or S. by W. ½ W., and should pass the beacons on their southern side at a distance of not more than 100 yards.

This notice affects Admiralty charts Nos. 580 and 585, and British Columbia Pilot, 1898, pages 201 and 205.

II. Beacons in First narrows, Burrard Inlet.

The beacon shown on Admiralty chart No. 922, east of the east mouth of Capilano creek, has been carried away and should be removed from the chart. A new beacon has been erected by the Government of Canada on the outer edge of the flats immediately west of the east mouth of Capilano creek.

Lat. N. 49° 18' 35"
Long. W. 123° 8' 6"

From the beacon Prospect point lighthouse bears S. 47° 40' W. (S. 71° 5' W. true) distant 1,065 feet, and Brockton point lighthouse bears S. 65° 40' E. (S. 43° 15' E. true) distant 7,050 feet.

The beacon consists of five piles braced together at the top, painted black, and surmounted by an open triangle, base upwards, painted white. The beacon shows 15 feet at high water, and dries at extreme low water; 160 feet south of the beacon is a depth of 2¾ fathoms; outside of that point the water deepens rapidly.

The east mouth of Capilano creek in running through the flat now curves more to the west than shown on the chart and empties into deep water close to the new beacon.

This notice affects Admiralty charts Nos. 922, 1922 and 2689, and British Columbia Pilot, 1898, page 181.

III. Erratum.

In part III of Notice to Mariners No. 64 of 1898, the longitude of Ivory Island lighthouse is by a printer's error given as 28° 25' 50" W. It should be 128° 25' 50" W.

TRAITÉ D'EXTRADITION AVEC LA RÉPUBLIQUE DE BOLIVIE.

Balmoral, 20e jour d'octobre 1898.

AU Château de Balmoral, le 20e jour d'octobre 1898.

PRÉSENTS :

Sa Très-Excellente Majesté la REINE.
Le duc de Fife.
Le comte de Kintore.
Lord George Hamilton.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 et 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le vingt-deuxième jour de février mil huit cent quatre-vingt-douze, entre Sa Majesté et le Président de la République de Bolivie, pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et Son Excellence le Président de la République de Bolivie ayant jugé convenable, en vue d'une meilleure administration de la justice, et pour prévenir les crimes dans les deux pays et leurs juridictions, que les individus accusés ou convaincus des crimes ci-après énumérés, et qui se seraient soustraits par la fuite aux poursuites de la justice fussent dans certaines circonstances, réciproquement extradés, ont nommé pour leurs plénipotentiaires, à l'effet de conclure un traité dans ce but, savoir :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, son chargé d'affaires *ad interim* M. George Jenner ;

Et Son Excellence le président de la République de Bolivie, Senor Don José Manuel Braun, envoyé extraordinaire et ministre plénipotentiaire au Pérou ;

Lesquels après s'être communiqués leurs pleins pouvoirs respectifs, trouvés en bonne et due forme, ont arrêté et conclu les articles suivants :—

ARTICLE I.

Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour aucun des crimes ou délits énumérés dans l'article II, commis sur le territoire de l'une des parties, seraient trouvés sur le territoire de l'autre.

ARTICLE II.

Les crimes et délits pour lesquels l'extradition sera accordée sont les suivants :—

1. Meurtre (y compris assassinat, parricide, infanticide, empoisonnement), ou tentative ou conspiration de commettre un meurtre.
2. Homicide sans préméditation.
3. Administration de substances ou emploi d'instruments dans l'intention de provoquer l'avortement.
4. Viol.
5. Connaissance charnelle, ou tentative de connaître charnellement une fille âgée de moins de 16 ans, si la preuve fournie justifie l'arrestation pour ces crimes d'après les lois des deux parties contractantes.
6. Attentat à la pudeur.
7. Séquestration, détention illégale, vol d'enfants.
8. Enlèvement ou détournement de mineurs.
9. Bigamie.
10. Blessures ou autres lésions corporelles graves infligées avec malice.
11. Voies de fait ayant occasionné des lésions corporelles.
12. Menaces, écrites ou autres, faites en vue d'extorquer de l'argent ou autres choses de valeur.
13. Faux serment ou subornation de témoins.

15. Vol avec effraction, ou bris de maison, vol avec violence, larcin ou détournement.

17. Escroquerie d'argent, valeurs, ou d'autres objets, sous de faux prétextes ; recel en connaissance de cause de numéraire, valeurs ou autres objets volés, provenant de soustractions, d'escroquerie ou d'abus de confiance.
18. (*a.*) Contrefaçon ou altération de monnaies, et mise en circulation de monnaies contrefaites ou altérées.

    (*b.*) Fabrication avec connaissance de cause et sans autorisation d'un instrument, outil, ou engin adapté et destiné à la contrefaçon de la monnaie du pays.

    (*c.*) Faux, ou mise en circulation de pièces, effets ou écritures publics ou privés, falsifiés, contrefaits, ou altérés.

20. Tout acte commis avec intention de mettre en danger la vie de personnes se trouvant dans un train de chemin de fer.
21. Destruction ou dégradation de toute propriété, lorsque le fait incriminé est punissable de peines criminelles ou correctionnelles.
22. Piraterie et autres crimes et délits commis en mer contre des personnes ou choses, lesquels, d'après les lois des hautes parties contractantes sont des crimes sujets à l'extradition, et punissables de plus d'un an d'emprisonnement.
23. Traite des esclaves telle qu'elle est punie par les lois des deux pays.

L'extradition aura également lieu pour complicité d'un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois des deux parties contractantes.

Il dépendra de l'Etat requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le Gouvernement de Sa Majesté, ou l'individu réclamé par le gouvernement de Bolivie a été jugé, acquitté ou puni, ou se trouve encore sous jugement dans le territoire de la République de Bolivie ou dans le Royaume-Uni respectivement, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée par le gouvernement de Sa Majesté ou par celui du gouvernement de Bolivie est en état de prévention dans le territoire de la République de Bolivie ou dans le Royaume-Uni respectivement pour un autre crime, son extradition sera différée jusqu'à la conclusion de son procès, et qu'elle ait purgé la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois de l'un ou l'autre pays.

Elle n'aura pas lieu non plus lorsque, d'après les lois des deux pays, le maximum de peine est moindre qu'un an d'emprisonnement.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considéré comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui aura été livré ne pourra, en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré, ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

L'extradition sera demandée par la voie des agents diplomatiques des hautes parties contractantes respectivement.

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne accusée.

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procèderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions des deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction : pourvu, toutefois, que dans le Royaume-Uni, l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police à Londres. Le criminel sera, en conformité du présent article, libéré, tant dans la République de Bolivie que dans le Royaume-Uni, si, dans le délai de soixante jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier, dans le cas où le crime aurait été commis sur le territoire du même Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation ; et l'extradition d'un criminel n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités du pays requis quand elles procèderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans l'autre pays, ou les copies de ces pièces de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit être signé par un juge, magistrat, ou officier de l'autre pays.

2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier de l'autre pays, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier de l'autre pays.

4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel et la légalisation du ministre de la Justice, ou quelque autre ministre de l'autre pays ; cependant, les pièces sus-énoncées pourront être rendues authentiques de toute autre manière dans le pays où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si les preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois, à partir du jour de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu ; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa Majesté Britannique, pour autant que faire se pourra d'après les lois en vigueur dans ces colonies et possessions étrangères respectivement.

La demande d'extradition d'un criminel qui s'est réfugié dans une de ces colonies ou possessions étrangères pourra être faite au Gouverneur ou à l'autorité supérieure de cette colonie ou possession, par le premier officier consulaire de la République de Bolivie dans cette colonie ou possession.

Le Gouverneur ou l'autorité supérieure mentionné ci-dessus décidera à l'égard de telles demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté Britannique de faire, en se conformant autant que faire se pourra d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spéciaux dans les colonies britanniques et possessions étrangères pour l'extradition de criminels de Bolivie qui auraient trouvé un refuge dans ces colonies et possessions étrangères.

Les demandes faites par une colonie ou possession étrangère de Sa Majesté Britannique pour l'extradition d'un criminel fugitif, seront traitées suivant les dispositions des articles précédents du présent traité.

ARTICLE XVIII.

Le présent traité sera exécutoire à dater du dixième jour après sa promulgation, dans les formes prescrites par les lois des deux pays. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis d'un an au plus et de six mois au moins.

Le traité sera ratifié, après avoir reçu l'approbation du Congrès de la République de Bolivie, et les ratifications seront échangées à Lima aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé le présent traité et y ont apposé le cachet de leurs armes.

Fait à Lima, le vingt-deuxième jour de février, dans l'année 1892.

G. JENNER.
J. M. BRAUN.

Et attendu que les ratifications du dit traité ont été échangées à Lima le septième jour mars mil huit cent quatre-vingt-dix-huit.

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le quatrième jour de novembre mil huit cent quatre-vingt-dix-huit, les dits actes s'appliqueront dans le cas de Bolivie, et du dit traité avec le Président de la République de Bolivie.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits Actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," resteront en vigueur, et pas plus longtemps.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier, dans le cas où le crime aurait été commis sur le territoire du même Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation ; et l'extradition d'un criminel n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités du pays requis quand elles procèderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans l'autre pays, ou les copies de ces pièces de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit être signé par un juge, magistrat, ou officier de l'autre pays.

2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier de l'autre pays, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier de l'autre pays.

4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel et la légalisation du ministre de la Justice, ou quelque autre ministre de l'autre pays ; cependant, les pièces susénoncées pourront être rendues authentiques de toute autre manière qui serait reconnue par les loi locales en vigueur dans le pays où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si les preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois, à partir du jour de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu ; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa Majesté Britannique, pour autant que faire se pourra d'après les lois en vigueur dans ces colonies et possessions étrangères respectivement.

La demande d'extradition d'un criminel qui s'est réfugié dans une de ces colonies ou possessions étrangères pourra être faite au Gouverneur ou à l'autorité supérieure de cette colonie ou possession, par le premier officier consulaire de la République du Chili dans cette colonie ou possession.

Le Gouverneur ou l'autorité supérieure mentionné ci-dessus décidera à l'égard de telles demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté Britannique de faire, en se conformant autant que faire se pourra d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spéciaux dans les colonies britanniques et possessions étrangères pour l'extradition de criminels du Chili qui auraient trouvé un refuge dans ces colonies et possessions étrangères.

Les demandes faites par une colonie ou possession étrangère de Sa Majesté Britannique pour l'extradition d'un criminel fugitif, seront traitées suivant les dispositions des articles précédents du présent traité.

ARTICLE XVIII.

Le présent traité sera exécutoire à dater du dixième jour après sa promulgation, dans les formes prescrites par les lois des deux pays. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis d'un an au plus et de six mois au moins.

Le traité sera ratifié, après avoir reçu l'approbation du Congrès de la République du Chili, et les ratifications seront échangées à Santiago aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé le présent traité et y ont apposé le cachet de leurs armes.

Fait à Santiago, le vingt-sixième jour de janvier, dans l'année 1897.

[L.S.] J. G. KENNEDY,
[L.S.] C. MORLA VICUNA.

Et attendu que les ratifications du dit traité ont été échangées à Santiago le quatorzième jour d'avril mil huit cent quatre-vingt-dix-huit.

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le vingt-deuxième jour d'août mil huit cent quatre-vingt-dix-huit, les dits actes s'appliqueront dans le cas du Chili, et du dit traité avec le Président de la République du Chili.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits Actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," resteront en vigueur, et pas plus longtemps.

HOTEL DU GOUVERNEMENT À OTTAWA.

Vendredi, le 30e jour de septembre 1898.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 23 de septembre 1898, du ministre de l'Intérieur, énonçant qu'il s'est élevé des ennuis et des doutes, qui probablement continueront d'exister dans l'esprit du public, du fait que plusieurs des districts d'agence de terres dans le Manitoba et les Territoires du Nord-Ouest portent des désignations différentes de celles par lesquelles ces districts sont généralement connus, et qui sont tirées des noms à certains points centraux où les bureaux d'agence des terres sont actuellement situés.

Le Ministre recommande donc, afin que les noms de ces districts d'agence de terres soient désignés par des noms plus en harmonie avec la localité des terres renfermées dans leurs bornes, que les changements suivants soient faits dans les noms des districts ci-après énumérés :—

Souris	sera à l'avenir	Brandon.
Saskatchewan	"	Minnedosa.
Lac Dauphin	"	Dauphin.
Touchwood	"	Yorkton.
Qu'Appelle	"	Regina.
Coteau	"	Alameda.

Le comité soumet ce qui précède à l'approbation de Votre Excellence.

JOHN J. McGEE,
23-4 Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes.

RÈGLE SPÉCIALE DU SÉNAT.

49. (*c.*) Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer.

ORDRE PERMANENT.

☞ Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

RÈGLES ADDITIONNELLES DE LA CHAMBRE DES COMMUNES CONCERNANT LES BILLS PRIVÉS.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a.*) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b.* Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan à l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Ordre spécial de la Chambre des Communes.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,
Greffier des Communes.

Substance des règles et formes de procéder du Sénat concernant les bills de divorce.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré durant six mois avant la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique, ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Dans les provinces de Québec et de Manitoba, les insertions seront faites dans un journal anglais et un journal français, s'il en existe des deux langues dans le district : autrement, elles se feront en anglais et en français au même journal.

Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Aucune pétition en divorce n'est reçue après l'expiration des trente premiers jours de la session.

Toute pétition en divorce devra être écrite lisiblement et porter la signature du pétitionnaire. Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du pétitionnaire faite en vertu de "l'Acte de la preuve en Canada, 1893."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présenté, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.

La pétition en obtention d'un bill de divorce n'est présentée que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $200.

La pétition, au moment de sa présentation, doit être accompagnée de la preuve de la publication d'avis, d'une déclaration qu'il a été signifié une copie de l'avis, et d'une copie du bill qui doit être présenté.

ORDER IN COUNCIL.

EXTRADITION TREATY—REPUBLIC OF BOLIVIA.

AT the Court at Balmoral, the 20th day of October, 1898.

PRESENT :

The QUEEN'S Most Excellent Majesty.
Duke of Fife.
Earl of Kintore.
Lord George Hamilton.

WHEREAS by the Extradition Acts, 1870 to 1895, it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by Order in Council, direct that the said Acts shall apply in the case of such foreign State ; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient.

And whereas a Treaty was concluded on the twenty-second day of February, one thousand eight hundred and ninety-two, between Her Majesty and His Excellency the President of the Republic of Bolivia, for the mutual extradition of fugitive criminals, which Treaty is in the terms following :—

" Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and His Excellency the President of the Republic of Bolivia, having judged it expedient, with a view to the better administration of justice and to the prevention of crime within the two countries and their jurisdictions, that persons charged with or convicted of the crimes or offences hereinafter enumerated, and being fugitives from justice, should, under certain circumstances, be reciprocally delivered up, have named as their Plenipotentiaries to conclude a Treaty (that is to say):

“Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, Her Chargé d'Affaires *ad interim* Mr. George Jenner;

“And His Excellency the President of the Republic of Bolivia, Senor Don José Manuel Braun, Envoy Extraordinary and Minister Plenipotentiary in Peru;

“Who, after having communicated to each other their respective full powers, found in good and due form, have agreed upon and concluded the following Articles:—

“ARTICLE I.

“The high contracting parties engage to deliver up to each other, under certain circumstances and conditions stated in the present Treaty, those persons who, being accused or convicted of any of the crimes or offences enumerated in Article II, committed in the territory of the one party, shall be found within the territory of the other party.

“3. Administering drugs or using instruments with intent to procure the miscarriage of women.

“8. Abduction.

“9. Bigamy.

“10. Maliciously wounding or inflicting grievous bodily harm.

“23. Dealing in slaves in such manner as to constitute a criminal offence against the laws of both States.

“The extradition is also to be granted for participation in any of the aforesaid crimes, provided such participation be punishable by the laws of both contracting parties.

“Extradition may also be granted at the discretion of the State applied to in respect of any other crime for which, according to the laws of both the contracting parties for the time being in force, the grant can be made.

“ARTICLE III.

“Either Government reserves the right to refuse or grant the surrender of its own subjects or citizens to the other Government.

“ARTICLE IV.

“The extradition shall not take place if the person claimed on the part of Her Majesty's Government, or the person claimed on the part of the Government of Bolivia has already been tried and discharged or punished, or is still under trial in the territory of the Republic of Bolivia or in the United Kingdom respectively for the crime for which his extradition is demanded.

“If the person claimed on the part of Her Majesty's Government or on the part of the Government of Bolivia, should be under examination for any other crime in the territory of the Republic of Bolivia or in the United Kingdom respectively, his extradition shall be deferred until the conclusion of the trial, and the full execution of any punishment awarded to him.

“ARTICLE V.

“The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applying or applied to.

“It shall likewise not take place when, according to the laws of either country, the maximum punishment for the offence is imprisonment for less than one year.

“ARTICLE VI.

“A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove that the requisition for his surrender has, in fact, been made with a view to try or punish him for an offence of a political character.

“ARTICLE VII.

“A person surrendered can in no case be kept in prison or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or has had an opportunity of returning, to the State by which he has been surrendered.

“This stipulation does not apply to crimes committed after the extradition.

“ARTICLE VIII.

“The requisition for extradition shall be made through the Diplomatic Agents of the high contracting parties respectively.

“The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

“If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

“A sentence passed *in contumaciam* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

"ARTICLE IX.

"If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

"ARTICLE X.

"A fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings, as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two contracting parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. He shall, in accordance with this article, be discharged, as well in the Republic of Bolivia as in the United Kingdom, if within the term of sixty days a requisition for extradition shall not have been made by the Diplomatic Agent of his country in accordance with the stipulations of this Treaty. The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may came into a port of the other.

"ARTICLE XI.

"The extradition shall take place only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to; and no criminal shall be surrendered until after the expiration of fifteen days from the date of his committal to prison to await the warrant for his surrender.

"ARTICLE XII.

"In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as valid evidence the sworn depositions or statements of witnesses taken in the other State, or copies thereof and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating, the fact of a conviction, provided the same are authenticated as follows:—

"1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the other State.

"2. Depositions, or affirmations, or the copies thereof, must purport to be certified, under the hand of a Judge, Magistrate, or officer of the other State, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

"3. A certificate of, or judicial document stating, the fact of a conviction must purport to be certified by a Judge, Magistrate, or officer of the other State.

"4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of the other State; but any other mode of authentication for the time being permitted by the law of the country where the examination is taken may be substituted for the foregoing.

"ARTICLE XIII.

"If the individual claimed by one of the high contracting parties in pursuance of the present Treaty should be also claimed by one or several other Powers on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

"ARTICLE XIV.

"If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

"ARTICLE XV.

"All articles seized which were in the possession of the person to be surrendered at the time of his apprehension shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

"ARTICLE XVI.

"All expenses connected with extradition shall be borne by the demanding State.

"ARTICLE XVII.

"The stipulations of the present Treaty shall be applicable to the Colonies and foreign possessions of Her Britannic Majesty, so far as the laws for the time being in force in such Colonies and foreign possessions respectively will allow.

"The requisition for the surrender of a fugitive criminal, who has taken refuge in any of such Colonies or foreign possessions, shall be made to the Governor or chief authority of such Colony or possession by the chief Consular officer of the Republic of Bolivia in such Colony or possession.

"Such requisition may be disposed of, subject always, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, to the provisions of this treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

"Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Bolivian criminals who may take refuge within such Colonies and foreign possessions, on the basis, so far as the law of such Colony or foreign possession will allow, of the provisions of the present Treaty.

"Requisitions for the surrender of a fugitive criminal emanating from any Colony or foreign possesion of Her Britannic Majesty shall be governed by rules laid down in the preceding Articles of the present Treaty.

"ARTICLE XVIII.

"The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the high contracting parties. It may be terminated by either of the high contracting parties by a notice not exceeding one year, and not less than six months.

"The Treaty, after receiving the approval of the Congress of the Republic of Bolivia, shall be ratified, and the ratifications shall be exchanged at Lima as soon as possible.

"In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

"Done at Lima, on the twenty-second day of February, one thousand eight hundred and ninety-two.

"G. JENNER.
"J. M. BRAUN."

And whereas the ratifications of the said Treaty were exchanged at Lima on the seventh day of March, one thousand eight hundred and ninety-eight.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the fourth day of November, one thousand eight hundred and ninety-eight, the said Acts shall apply in the case of Bolivia, and of the said Treaty with the President of the Republic of Bolivia.

Provided always, that the operation of the said Acts, shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in one thousand eight hundred and eighty-six, and entitled "An Act respecting the extradition of Fugitive Criminals," shall continue in force there, and no longer.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS application has been made for permission to mine coal for domestic purposes on certain School Lands, but as the regulations established by the Order in Council of the 9th February, 1897, for the issue of permits to mine coal apply only to Dominion Lands, there is at present no authority for the issue of permits for this purpose on School Lands:

And whereas it is desirable that the work of developing the coal beds underlying School Sections should be encouraged, and permits to mine coal on School Lands should be issued on the same terms as the permits issued to mine coal on Dominion Lands,—

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, is pleased to order and declare that the regulations established by the Order in Council of the 9th February, 1897, for the issue of permits for the mining of coal for domestic purposes on Dominion Lands, shall be and the same are hereby made applicable to School Lands, and shall have the same force and effect with respect to School Lands as to Dominion Lands.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 3rd day of December, 1898.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS a number of applications have been received for locations in the Yukon Territory for the purpose of the ground being worked by the hydraulic method of mining or by other means requiring operations on a large scale;

And whereas it is deemed advisable to provide for the setting apart of suitable ground for the purpose aforesaid, and it is considered that the public interest will be best served by the right to work the ground so set apart being put up to public competition, provision being made for the protection of persons, who by themselves or others acting for them have heretofore prospected any particular ground for which they have filed applications,—

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, has been pleased to make, and doth hereby make the following regulations for the disposal of mining locations to be worked by the hydraulic or other mining process:—

1. Locations on any stream, watercourse or plateau in the Yukon Territory, shall have a frontage in direct line of from one to five miles in length as may be decided by the Minister of the Interior, and a depth of one mile, but where such location is situate in a valley its depth may extend to the limits of the valley if so ordered by the Minister of the Interior: Provided that in the case of a location situate on a stream or watercourse, the depth of such location shall be measured from low water mark, and the lease thereof shall be subject to any lease for the dredging of such stream or watercourse which may have been issued prior to the date of the lease of the location.

2. Each alternate claim shall, until otherwise ordered by the Minister of the Interior, be reserved.

3. To any person who has prior to the date hereof filed an application in the Department of the Interior at Ottawa, or in the office of the Commissioner of the Yukon Territory or in the office of the Gold Commissioner for a mining location in the Yukon Territory not provided for by the mining regulations already in force, the Minister of the Interior may issue a lease subject to the same conditions as to size and otherwise, and conferring the same rights as a lease issued under these regulations for a location acquired at public competition; provided that the Commissioner has reported that it has been proved to his satisfaction that the applicant himself, or a person acting for him, was upon and actually prospected prior to the date hereof the ground included in the location, and provided further that the Gold Commissioner has reported that the ground included in the location is not being worked and is not suitable to be worked under the regulations governing placer mining. But under this section no person shall be given a lease for more than one location.

4. The unreserved locations not disposed of under the next preceding section shall be offered at public competition, and awarded to the highest bidder after being advertised in such manner and at such time as the Minister of the Interior may direct; and to the person or corporation to whom any such location may be awarded at such competition the Minister of the Interior may, after such person or corporation has obtained a free miner's certificate as provided in the regulations governing placer mining, and filed in the Department of the Interior at Ottawa, within a period to be fixed by the Minister, a Dominion Land Surveyor's plan of the location, issue a lease of the same for a term not exceeding twenty years, such lease to be renewable for a further period of twenty years upon the performance to the satisfaction of the Minister of the Interior of the conditions imposed thereby.

5. In addition to the bonus offered there shall be paid in advance by each lessee an annual rental of $150 for each mile of frontage; and the same royalty shall be paid upon the out-put of gold as is provided or may hereafter be provided in the case of placer claims, except that there shall be exempted from such royalty $25,000 of the annual out-put, the royalty to be paid in the manner provided in the regulations governing placer mining.

6. The lease shall be in such form and contain such conditions, not inconsistent with these regulations, as may be approved of by the Minister of the Interior.

7. The lessee shall be required to begin active operations on his location within one year from the date of his lease, and he shall be required to expend in operating his location not less than $5,000 during each year from the date of the lease.

8. The lease shall not convey the right to mine for any minerals other than the precious metals nor shall it convey the right to engage in quartz mining otherwise than in accordance with and subject to the regulations governing quartz mining; and it shall reserve to free miners the right to enter upon the location covered by it, take up, locate and mine for minerals, in veins or lodes in the manner provided in the said regulations.

9. The lessee shall have the exclusive right to enter upon and occupy his location for the purpose of mining thereon, but the lessee shall not prevent free ingress and egress to any person requiring to cross his location or the conveyance thereover of any mining appliances, apparatus or plant which may be required in the working of any other mining ground; and the lessee's right or occupation shall be subject to all orders which may be made by the Minister of the Interior, or the Gold Commissioner as to such right of way, and also for ditches, flumes or tramways as may by the said Minister or Gold Commissioner be considered necessary or advisable in order to facilitate the working of any other mining ground, and subject further to such orders as may be made by the Minister of the Interior or the Commissioner of the Yukon Territory as to the right of way for railways, roads or other public works.

10. The lessee's right to water on his location or to the diversion of water in connection with his operations thereon shall be subject to the regulations approved by Order in Council of the 3rd August, 1898.

11. The holder of a lease may cut, free of dues, such of the timber on a location as may be necessary for working the same in connection with his mining operations, but not for sale or traffic, except in cases where such timber has been granted or disposed of prior to the date of the lease; provided that the Commissioner of the Yukon Territory may grant a permit to a lease-holder to cut and sell any timber which it is necessary to remove in order to work the location, and may permit any person to cut and remove from a location cordwood for his own use, when such cordwood cannot otherwise be had within a reasonable distance; but no such permit shall convey the right to cut or remove wood required by the lessee for his mining operations.

12. In case any lessee shall at any time make default in the payment of the rental or the royalty payable under these regulations, or shall make default in the performance of the conditions imposed by these regulations, or by the lease, the Gold Commissioner may post a notice in a conspicuous place upon the location in connection with which such default has been made, and may mail a copy of such notice to the last address of the lessee known to the Commissioner, requiring such default to be remedied, and in case such default is not remedied within three months of the date of the posting of the notice upon the location all the rights of the lessee under the lease and under these regulations shall be and become *ipso facto* null and void.

13. When it is decided to hold any ground for the purpose of the same being included in locations under these regulations the Gold Commissioner shall cause a notice to that effect to be posted in a prominent and conspicuous place in the office of the Mining Recorder of the district in which the ground is situate; and after the posting of such notice no occupation or right under the regulations governing placer mining shall be recognized on any ground so held; but any *bona fide* occupation or right acquired under such

regulations prior to the posting of such notice shall be recognized, and the Gold Commissioner shall make provision for the miner who has acquired such occupation or right being protected in the same.

14. If any case arises for which no provision is made in these regulations, the provisions of the regulations governing the disposal of mineral lands other than coal lands, approved by His Excellency the Governor in Council on the 21st March, 1898, and of the placer mining regulations approved on the 18th January, 1898, or such other regulations as may be substituted therefor, shall apply.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 30th day of September, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a report, dated 23rd September, 1898, from the Minister of the Interior, stating that some inconvenience and misapprehension have arisen and are likely to continue to arise in the minds of the public from the fact of several of the Land Agency Districts in Manitoba and the Territories bearing different designations from those by which such Districts are commonly known and which are derived from the names at the central points at which the Land Agency Offices are actually located.

The Minister therefore recommends, in order that the names of these Land Agency Districts may bear some more convenient and exact relation to the locality of the lands embraced within their boundaries, that the following changes be made in the names of those Districts hereafter enumerated :—

Souris to be hereafter Brandon.
Saskatchewan " Minnedosa.
Lake Dauphin " Dauphin.
Touchwood " Yorkton.
Qu'Appelle " Regina.
Coteau " Alameda.

The Committee submit the same for Your Excellency's approval.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 19th day of November, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 10th November, 1898, from the Minister of the Interior, stating that the Government of the North-west Territories, through the Deputy Commissioner of Public Works at Regina, have made application to have permanently set aside from sale or settlement, as a public water reserve, the south-east quarter of Section 27, Township 18, Range 17 west of the 2nd Meridian, on account of some springs which are located therein.

The Minister states that the above mentioned quarter-section was reserved to the Canadian Pacific Railway Company as a portion of their land grant, but that company having agreed to waive their claim thereto, the south-east quarter of Section 21, Township 16, Range 2 east of the 1st Meridian, at their request, has been granted to them in lieu of the first mentioned land.

The Minister recommends that the said south-east quarter of Section 27, Township 18, Range 17 west of the 2nd Meridian be reserved during pleasure for the purpose of furnishing water supply to the settlers in the vicinity of such land.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

NOTICE TO MARINERS.

No. 77 of 1898.

DOMINION OF CANADA—BRITISH COLUMBIA.

I. TIDE GAUGES ON KELP BAR, BAYNES SOUND.

Rough tide gauges, established by Commander Morris H. Smith, R.N., H. M. surveying ship "Egeria," on the two pile beacons marking the channel across Kelp bar, Baynes Sound, Gulf of Georgia, coast of Vancouver Island, will hereafter be maintained by this Department.

A large white board marked XXV has been placed on each of the two beacons. When the water is level with the bottom of the figures there will be 25 feet on the shallowest part of the crossing.

Four horizontal battens have been placed below each of these boards at intervals of one foot apart to assist the eye in estimating the height of the water at any time and the consequent depth on the bar.

The least water will be found when abreast the inner beacon. Ships should be steering N. by E. ½ E. or S. by W. ½ W., and should pass the beacons on their southern side at a distance of not more than 100 yards.

This notice affects Admiralty charts Nos. 580 and 585, and British Columbia Pilot, 1898, pages 201 and 205.

II. BEACONS IN FIRST NARROWS, BURRARD INLET.

The beacon shown on Admiralty chart No. 922, east of the east mouth of Capilano creek, has been carried away and should be removed from the chart. A new beacon has been erected by the Government of Canada on the outer edge of the flats immediately west of the east mouth of Capilano creek.

Lat. N. 49° 18' 35"
Long. W. 123° 8' 6"

From the beacon Prospect point lighthouse bears S. 47° 40' W. (S. 71° 5' W. true) distant 1,065 feet, and Brockton point lighthouse bears S. 65° 40' E. (S. 43° 15' E. true) distant 7,050 feet.

The beacon consists of five piles braced together at the top, painted black, and surmounted by an open triangle, base upwards, painted white. The beacon shows 15 feet at high water, and dries at extreme low water; 160 feet south of the beacon is a depth of 2¾ fathoms; outside of that point the water deepens rapidly.

The east mouth of Capilano creek in running through the flat now curves more to the west than shown on the chart and empties into deep water close to the new beacon.

This notice affects Admiralty charts Nos. 922, 1922 and 2689, and British Columbia Pilot, 1898, page 181.

III. ERRATUM.

In part III of Notice to Mariners No. 64 of 1898, the longitude of Ivory Island lighthouse is by a printer's error given as 28° 25' 50" W. It should be 128° 25' 50" W.

F. GOURDEAU,
Deputy-Minister of Marine and Fisheries.
Department of Marine and Fisheries,
Ottawa, Canada, 17th November, 1898.

☞ All bearings, unless otherwise noted, are magnetic and are given from seaward, miles are nautical miles, heights are above high water, and all depths are at mean low water.

Pilots, masters, or others interested are earnestly requested to send information of dangers, changes in aids to navigation, notices of new shoals or channels, errors in publications, or any other facts affecting the navigation of Canadian waters, to the Chief Engineer, Department of Marine and Fisheries, Ottawa, Canada.

ARRÊTÉ EN CONSEIL.

TRAITÉ D'EXTRADITION AVEC LA RÉPUBLIQUE DE BOLIVIE.

Balmoral, 20e jour d'octobre 1898.

AU Château de Balmoral, le 20e jour d'octobre 1898.

PRÉSENTS :

Sa Très-Excellente Majesté la REINE.
Le duc de Fife.
Le comte de Kintore.
Lord George Hamilton.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 et 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le vingt-deuxième jour de février mil huit cent quatre-vingt-douze, entre Sa Majesté et le Président de la République de Bolivie, pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et Son Excellence le Président de la République de Bolivie ayant jugé convenable, en vue d'une meilleure administration de la justice, et pour prévenir les crimes dans les deux pays et leurs juridictions, que les individus accusés ou convaincus des crimes ci-après énumérés, et qui se seraient soustraits par la fuite aux poursuites de la justice fussent dans certaines circonstances, réciproquement extradés, ont nommé pour leurs plénipotentiaires, à l'effet de conclure un traité dans ce but, savoir :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, son chargé d'affaires *ad interim* M. George Jenner ;

Et Son Excellence le président de la République de Bolivie, Senor Don José Manuel Braun, envoyé extraordinaire et ministre plénipotentiaire au Pérou ;

Lesquels après s'être communiqués leurs pleins pouvoirs respectifs, trouvés en bonne et due forme, ont arrêté et conclu les articles suivants :—

ARTICLE I.

Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour aucun des crimes ou délits énumérés dans l'article II, commis sur le territoire de l'une des parties, seraient trouvés sur le territoire de l'autre.

ARTICLE II.

Les crimes et délits pour lesquels l'extradition sera accordée sont les suivants :—

1. Meurtre (y compris assassinat, parricide, infanticide, empoisonnement), ou tentative ou conspiration de commettre un meurtre.
2. Homicide sans préméditation.
3. Administration de substances ou emploi d'instruments dans l'intention de provoquer l'avortement.
4. Viol.
5. Connaissance charnelle, ou tentative de connaître charnellement une fille âgée de moins de 16 ans, si la preuve fournie justifie l'arrestation pour ces crimes d'après les lois des deux parties contractantes.
6. Attentat à la pudeur.
7. Séquestration, détention illégale, vol d'enfants.
8. Enlèvement ou détournement de mineurs.
9. Bigamie.
10. Blessures ou autres lésions corporelles graves infligées avec malice.
11. Voies de fait ayant occasionné des lésions corporelles.
12. Menaces, écrites ou autres, faites en vue d'extorquer de l'argent ou autres choses de valeur.
13. Faux serment ou subornation de témoins.
14. Incendie volontaire.
15. Vol avec effraction, ou bris de maison, vol avec violence, larcin ou détournement.

17. Escroquerie d'argent, valeurs, ou d'autres objets, sous de faux prétextes ; recel en connaissance de cause de numéraire, valeurs ou autres objets volés, provenant de soustractions, d'escroquerie ou d'abus de confiance.
18. (*a.*) Contrefaçon ou altération de monnaies, et mise en circulation de monnaies contrefaites ou altérées.

(*b.*) Fabrication avec connaissance de cause et sans autorisation d'un instrument, outil, ou engin adapté et destiné à la contrefaçon de la monnaie du pays.

(*c.*) Faux, ou mise en circulation de pièces, effets ou écritures publics ou privés, falsifiés, contrefaits, ou altérés.

19. Banqueroute frauduleuse et fraudes commises dans les faillites.
20. Tout acte commis avec intention de mettre en danger la vie de personnes se trouvant dans un train de chemin de fer.
21. Destruction ou dégradation de toute propriété, lorsque le fait incriminé est punissable de peines criminelles ou correctionnelles.
22. Piraterie et autres crimes et délits commis en mer contre des personnes ou choses, lesquels, d'après les lois des hautes parties contractantes sont des crimes sujets à l'extradition, et punissables de plus d'un an d'emprisonnement.
23. Traite des esclaves telle qu'elle est punie par les lois des deux pays.

L'extradition aura également lieu pour complicité d'un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois des deux parties contractantes.

Il dépendra de l'Etat requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le Gouvernement de Sa Majesté, ou l'individu réclamé par le gouvernement de Bolivie a été jugé, acquitté ou puni, ou se trouve encore sous jugement dans le territoire de la République de Bolivie ou dans le Royaume-Uni respectivement, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée par le gouvernement de Sa Majesté ou par celui du gouvernement de Bolivie est en état de prévention dans le territoire de la République de Bolivie ou dans le Royaume-Uni respectivement pour un autre crime, son extradition sera différée jusqu'à la conclusion de son procès, et qu'elle ait purgé la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois de l'un ou l'autre pays.

Elle n'aura pas lieu non plus lorsque, d'après les lois des deux pays, le maximum de peine est moindre qu'un an d'emprisonnement.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considéré comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui aura été livré ne pourra, en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré, ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

L'extradition sera demandée par la voie des agents diplomatiques des hautes parties contractantes respectivement.

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne accusée.

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procèderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions des deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction : pourvu, toutefois, que dans le Royaume-Uni, l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police à Londres. Le criminel sera, en conformité du présent article, libéré, tant dans la République de Bolivie que dans le Royaume-Uni, si, dans le délai de soixante jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier, dans le cas où le crime aurait été commis sur le territoire du même Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation ; et l'extradition d'un criminel n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités du pays requis quand elles procèderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans l'autre pays, ou les copies de ces pièces de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit être signé par un juge, magistrat, ou officier de l'autre pays.

2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier de l'autre pays, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.

3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier de l'autre pays.

4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel et la légalisation du ministre de la Justice, ou quelque autre ministre de l'autre pays ; cependant, les pièces sus-énoncées pourront être rendues authentiques de toute autre manière dans le pays où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si les preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois, à partir du jour de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu ; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa Majesté Britannique, pour autant que faire se pourra d'après les lois en vigueur dans ces colonies et possessions étrangères respectivement.

La demande d'extradition d'un criminel qui s'est réfugié dans une de ces colonies ou possessions étrangères pourra être faite au Gouverneur ou à l'autorité supérieure de cette colonie ou possession, par le premier officier consulaire de la République de Bolivie dans cette colonie ou possession.

Le Gouverneur ou l'autorité supérieure mentionné ci-dessus décidera à l'égard de telles demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté Britannique de faire, en se conformant autant que faire se pourra d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spéciaux dans les colonies britanniques et possessions étrangères pour l'extradition de criminels de Bolivie qui auraient trouvé un refuge dans ces colonies et possessions étrangères.

Les demandes faites par une colonie ou possession étrangère de Sa Majesté Britannique pour l'extradition d'un criminel fugitif, seront traitées suivant les dispositions des articles précédents du présent traité.

ARTICLE XVIII.

Le présent traité sera exécutoire à dater du dixième jour après sa promulgation, dans les formes prescrites par les lois des deux pays. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis d'un an au plus et de six mois au moins.

Le traité sera ratifié, après avoir reçu l'approbation du Congrès de la République de Bolivie, et les ratifications seront échangées à Lima aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé le présent traité et y ont apposé le cachet de leurs armes.

Fait à Lima, le vingt-deuxième jour de février, dans l'année 1892.

G. JENNER.
J. M. BRAUN.

Et attendu que les ratifications du dit traité ont été échangées à Lima le septième jour mars mil huit cent quatre-vingt-dix-huit.

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le quatrième jour de novembre mil huit cent quatre-vingt-dix-huit, les dits actes s'appliqueront dans le cas de Bolivie, et du dit traité avec le Président de la République de Bolivie.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits Actes sera suspendue dans la Puissance du Canada tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," resteront en vigueur, et pas plus longtemps.

ARRETÉS EN CONSEIL.

[2741]

HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 3e jour de décembre 1898.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que des demandes ont été reçues pour des emplacements dans le territoire du Yukon, à l'effet d'exploiter le terrain par la méthode hydraulique, ou par d'autres moyens exigeant des opérations sur une grande échelle ;

Et considérant qu'il convient de prendre des mesures pour mettre à part le terrain propre à ce genre d'exploitation, et qu'il serait dans l'intérêt du public d'offrir à l'enchère le droit d'exploiter le terrain ainsi mis à part, tout en prenant des mesures pour la protection des personnes qui, par eux-mêmes ou par d'autres agissant pour elles ont déjà prospecté un certain terrain pour lequel il ont déposé leurs demandes,—

A ces causes il a plu à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'établir, et il établit par le présent, les règlements ci-dessous pour la concession d'emplacements miniers qui seront exploités par le procédé hydraulique ou autre :—

1. Les emplacements sur un ruisseau, cours d'eau ou plateau dans le territoire du Yukon auront un front en ligne directe de un à cinq milles de longueur, selon que le décidera le Ministre de l'Intérieur, et une profondeur d'un mille ; mais lorsque cet emplacement est situé dans une vallée sa profondeur pourra s'étendre jusqu'aux limites de la vallée si le Ministre de l'Intérieur en ordonne ainsi ; pourvu que dans le cas d'un emplacement situé sur un ruisseau ou cours d'eau la profondeur de cet emplacement sera mesurée à partir de la marque de l'eau basse, et le bail de cet emplacement sera assujéti à tout bail pour le dragage de ce ruisseau ou cours d'eau qui aura pu être émis antérieurement à la date du bail de l'emplacement.

2. Jusqu'à ce que le Ministre de l'Intérieur en ordonne autrement, chaque claim alternatif sera réservée.

3. A toute personne qui, antérieurement à la date du présent a déposé une demande au département de l'Intérieur à Ottawa, ou dans le bureau du Commissaire du territoire du Yukon, ou dans le bureau du Commissaire des mines d'or pour un emplacement minier dans le territoire du Yukon ne tombant pas sous les règlements miniers déjà en force, le Ministre de l'intérieur pourra délivrer un bail sujet aux mêmes conditions quant à la dimension et autrement, et conférant les mêmes droits qu'un bail délivré en vertu des présents règlements pour un emplacement acquis à l'enchère publique ; pourvu que le Commissaire ait fait rapport qu'il a été prouvé à sa satisfaction que le requérant même, ou une personne agissant pour lui, était sur le terrain et avait actuellement prospecté le terrain compris dans l'emplacement avant la date du présent ; et pourvu de plus que le Commissaire des mines d'or ait fait rapport que le terrain compris dans l'emplacement n'est pas exploité et n'est pas propre à être exploité en vertu des règlements concernant les mines alluviales. Mais en vertu du présent article personne ne recevra un bail pour plus d'un emplacement.

4. Les emplacements non réservées qui ne sont pas concédés en vertu de l'article immédiatement précédent, seront offerts à l'enchère, et adjugés au plus haut enchérisseur, après avoir été annoncés en la manière et aux époques que le Ministre de l'Intérieur décidera ; et à la personne ou corporation à laquelle un tel emplacement aura été adjugé à cette enchère, le Ministre de l'Intérieur pourra,—après que cette personne ou corporation aura obtenu un certificat de mineur libre tel que prescrit par les règlements concernant les mines alluviales, et avoir déposé au département de l'Intérieur à Ottawa, sous un délai que fixera le Ministre de l'Intérieur, un plan de l'emplacement exécuté par un arpenteur fédéral,—délivrer un bail pour cet emplacement pour un terme de vingt ans au plus ; ce bail sera renouvelable pour une autre période de vingt ans si les conditions imposées par le bail ont été remplies à la satisfaction du Ministre de l'Intérieur.

5. En sus du boni offert, il sera payé à l'avance par chaque locataire une rente annuelle de $150 pour chaque mille de front ; et le même droit régalien sera payé sur le rendement d'or tel que prescrit ou sera ci-après prescrit dans le cas d'emplacements de mines alluviales, sauf que $25,000 du rendement annuel seront exemptées de ce droit régalien, le droit régalien devant être payé en la manière prescrite dans les règlements concernant les mines alluviales.

6. Le bail sera d'une forme et contiendra les conditions non incompatibles avec les présents règlements' qu'approuvera le Ministre de l'Intérieur.

7. Le locataire sera tenu de commencer les opérations sur son emplacement sous un an de la date de son bail, et il sera tenu de dépenser dans l'exploitation de son emplacement pas moins que $5,000 durant chaque année de son bail.

8. Le bail ne comportera pas le droit de miner pour d'autres minéraux que les métaux précieux, il ne comportera pas non plus le droit de s'engager dans les mines de quartz autrement qu'en conformité et sujet aux règlements des règlements concernant les mines de quartz, et il réservera aux mineurs libres le droit d'entrer sur l'emplacement couvert par le bail, prendre, choisir et extraire des minéraux, dans des veines ou filons en la manière établie par les dits règlements.

9. Le locataire aura le droit exclusif d'entrer sur et d'occuper son emplacement pour des fins d'extraction, mais le locataire n'empêchera pas la libre entrée et sortie de toute autre personne obligée de traverser son emplacement, ou d'y transporter tous appareils accessoires ou outillage d'extraction qui seraient nécessaires dans l'exploitation de tout autre terrain minier ; et le droit ou occupation du locataire sera assujéti à tous arrêtés qui seront adoptés par le Ministre de l'Inté-

rieur ou le Commissaire des mines d'or au sujet du droit de passage, et aussi au sujet des fossés, conduites d'eau ou tramways que le dit Ministre ou Commissaire des mines d'or jugeront nécessaires ou avantageux pour faciliter l'exploitation de tout autre terrain minier, et sujet de plus à tels arrêtés que le Ministre de l'Intérieur ou le Commissaire des mines d'or du territoire du Yukon adopteront relativement au droit de passage pour les chemins de fer, chemins ou autres travaux publics.

10. Le droit du locataire à l'eau sur son emplacement, ou au détournement de l'eau en rapport avec les opérations, sera soumis aux règlements approuvés par arrêté en conseil du 3 d'août 1898.

11. Le porteur d'un bail pourra abattre, sans payer de droits, telle partie du bois de construction sur son emplacement qui sera nécessaire pour l'exécuter relativement à ses opérations minières, mais non pour la vente ou le trafic sauf dans les cas où ce bois de construction a été concédé ou vendu préalablement à la date du bail ; pourvu que le Commissaire du territoire du Yukon pourra accorder un permis à un locataire pour abattre et vendre tout bois de construction qu'il serait nécessaire d'enlever afin de pouvoir exploiter l'emplacement, et pourra permettre à toute personne d'abattre et d'enlever d'un emplacement du bois de chauffage pour son propre usage, lorsque ce bois de chauffage ne peut s'obtenir autrement dans une distance raisonnable ; mais nul tel permis ne comportera le droit d'abattre ou d'enlever du bois dont a besoin le locataire pour ses opérations minières.

12. Si en aucun temps le locataire fait défaut dans le paiement de la rente ou du droit régalien payable en vertu des présents règlements, ou fait défaut dans l'exécution des conditions imposées par les présents règlements, ou par le bail, le Commissaire des mines d'or pourra afficher un avis dans un endroit bien en vue sur l'emplacement à l'égard duquel ce défaut a eu lieu, et pourra envoyer par la poste une copie de cet avis à la dernière adresse du locataire connue du Commissaire, demandant que ce défaut soit remédié, et si ce défaut n'est pas remédié sous trois mois de la date de l'affichage de l'avis sur l'emplacement tous les droits du locataire en vertu du bail et en vertu des présents règlements seront et deviendront *ipso facto* nuls.

13. Lorsqu'il est décidé de retenir un terrain quelconque dans le but de l'inclure dans des emplacements en vertu des présents règlements, le Commissaire des mines d'or fera afficher un avis dans un endroit bien en vue dans le bureau du Régistrateur des mines du district dans lequel le terrain est situé ; et après l'affichage de cet avis, ni occupation ni droit en vertu des règlements concernant les mines alluviales ne sera reconnu sur le terrain ainsi retenu ; mais toute occupation ou droit *bona fide* acquis en vertu de ces règlements antérieurement à l'affichage de cet avis sera reconnu, et le Commissaire des mines d'or veillera à ce que le mineur qui a acquis cette occupation ou droit soit protégé sous ce rapport.

14. S'il se présente des cas non prévus dans les présents règlements, les dispositions concernant la concession de terrains miniers autres que terrains houillers, approuvées par Son Excellence le Gouverneur en conseil le 21 de mars 1898, et des règlements concernant les mines alluviales approuvés le 18 janvier 1898, ou tels autres règlements qui y seront substitués, s'appliqueront.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 23 de septembre 1898, du ministre de l'Intérieur, énonçant qu'il s'est élevé des ennuis et des doutes, qui probablement continueront d'exister dans l'esprit du public, du fait que plusieurs des districts d'agence de terres dans le Manitoba et les Territoires du Nord-Ouest portent des désignations différentes de celles par lesquelles ces districts sont généralement connus, et qui sont tirées des noms à certains points centraux où les bureaux d'agence des terres sont actuellement situés.

Le Ministre recommande donc, afin que les noms de ces districts d'agence de terres soient désignés par des noms plus en harmonie avec la localité des terres renfermées dans leurs bornes, que les changements suivants soient faits dans les noms des districts ci-après énumérés :—

Souris	sera à l'avenir	Brandon.
Saskatchewan	"	Minnedosa.
Lac Dauphin	"	Dauphin.
Touchwood	"	Yorkton.
Qu'Appelle	"	Regina.
Coteau	"	Alameda.

Le comité soumet ce qui précède à l'approbation de Votre Excellence.

JOHN J. McGEE,
Greffier du Conseil privé.

DEMANDES AU PARLEMENT.

Règles *in re* Avis de bills privés.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

49. (*c*.) Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer.

Ordre permanent.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

Règles additionnelles de la Chambre des Communes concernant les bills privés.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets;

JOHN GEORGE BOURINOT,
Greffier des Communes.

ORDRE SPÉCIAL DE LA CHAMBRE DES COMMUNES.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir:—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

And whereas a Treaty was concluded on the twenty-second day of February, one thousand eight hundred and ninety-two, between Her Majesty and His Excellency the President of the Republic of Bolivia, for the mutual extradition of fugitive criminals, which Treaty is in the terms following :—

"HER Majesty the Queen of the United Kingdom of Great Britain and Ireland, and His Excellency the President of the Republic of Bolivia, having judged it expedient, with a view to the better administration of justice and to the prevention of crime within the two countries and their jurisdictions, that persons charged with or convicted of the crimes or offences hereinafter enumerated, and being fugitives from justice, should, under certain circumstances, be reciprocally delivered up, have named as their Plenipotentiaries to conclude a Treaty (that is to say) :

"ARTICLE III.

"Either Government reserves the right to refuse or grant the surrender of its own subjects or citizens to the other Government.

"ARTICLE IV.

"The extradition shall not take place if the person claimed on the part of Her Majesty's Government, or the person claimed on the part of the Government of Bolivia has already been tried and discharged or punished, or is still under trial in the territory of the Republic of Bolivia or in the United Kingdom respectively for the crime for which his extradition is demanded.

"If the person claimed on the part of Her Majesty's Government or on the part of the Government of Bolivia, should be under examination for any other crime in the territory of the Republic of Bolivia or in the United Kingdom respectively, his extradition shall be deferred until the conclusion of the trial, and the full execution of any punishment awarded to him.

"ARTICLE V.

"The extradition shall not take place if, subsequently to the commission of the crime, or the institution of the penal prosecution or the conviction thereon, exemption from prosecution or punishment has been acquired by lapse of time, according to the laws of the State applying or applied to.

"It shall likewise not take place when, according to the laws of either country, the maximum punishment for the offence is imprisonment for less than one year.

"ARTICLE VI.

"A fugitive criminal shall not be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove that the requisition for his surrender has, in fact, been made with a view to try or punish him for an offence of a political character.

"ARTICLE VII.

"A person surrendered can in no case be kept in prison or be brought to trial in the State to which the surrender has been made, for any other crime, or on account of any other matters, than those for which the extradition shall have taken place, until he has been restored, or has had an opportunity of returning, to the State by which he has been surrendered.

"This stipulation does not apply to crimes committed after the extradition.

"ARTICLE VIII.

"The requisition for extradition shall be made through the Diplomatic Agents of the high contracting parties respectively.

"The requisition for the extradition of an accused person must be accompanied by a warrant of arrest issued by the competent authority of the State requiring the extradition, and by such evidence as, according to the laws of the place where the accused is found, would justify his arrest if the crime had been committed there.

"If the requisition relates to a person already convicted, it must be accompanied by the sentence of condemnation passed against the convicted person by the competent Court of the State that makes the requisition for extradition.

"A sentence passed *in contumaciam* is not to be deemed a conviction, but a person so sentenced may be dealt with as an accused person.

" ARTICLE IX.

" If the requisition for extradition be in accordance with the foregoing stipulations, the competent authorities of the State applied to shall proceed to the arrest of the fugitive.

" ARTICLE X.

" A fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings, as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two contracting parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction ; provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. He shall, in accordance with this article, be discharged, as well in the Republic of Bolivia as in the United Kingdom, if within the term of sixty days a requisition for extradition shall not have been made by the Diplomatic Agent of his country in accordance with the stipulations of this Treaty. The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may came into a port of the other.

" ARTICLE XI.

" The extradition shall take place only if the evidence be found sufficient, according to the laws of the State applied to, either to justify the committal of the prisoner for trial, in case the crime had been committed in the territory of the same State, or to prove that the prisoner is the identical person convicted by the Courts of the State which makes the requisition, and that the crime of which he has been convicted is one in respect of which extradition could, at the time of such conviction, have been granted by the State applied to ; and no criminal shall be surrendered until after the expiration of fifteen days from the date of his committal to prison to await the warrant for his surrender.

" ARTICLE XII.

" In the examinations which they have to make in accordance with the foregoing stipulations, the authorities of the State applied to shall admit as valid evidence the sworn depositions or statements of witnesses taken in the other State, or copies thereof and likewise the warrants and sentences issued therein, and certificates of, or judicial documents stating, the fact of a conviction, provided the same are authenticated as follows :—

" 1. A warrant must purport to be signed by a Judge, Magistrate, or officer of the other State.

" 2. Depositions, or affirmations, or the copies thereof, must purport to be certified, under the hand of a Judge, Magistrate, or officer of the other State, to be the original depositions or affirmations, or to be true copies thereof, as the case may require.

" 3. A certificate of, or judicial document stating, the fact of a conviction must purport to be certified by a Judge, Magistrate, or officer of the other State.

" 4. In every case such warrant, deposition, affirmation, copy, certificate, or judicial document must be authenticated either by the oath of some witness, or by being sealed with the official seal of the Minister of Justice, or some other Minister of the other State ; but any other mode of authentication for the time being permitted by the law of the country where the examination is taken may be substituted for the foregoing.

" ARTICLE XIII.

" If the individual claimed by one of the high contracting parties in pursuance of the present Treaty should be also claimed by one or several other Powers on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

" ARTICLE XIV.

" If sufficient evidence for the extradition be not produced within two months from the date of the apprehension of the fugitive, or within such further time as the State applied to, or the proper Tribunal thereof, shall direct, the fugitive shall be set at liberty.

" ARTICLE XV.

" All articles seized which were in the possession of the person to be surrendered at the time of his apprehension shall, if the competent authority of the State applied to for the extradition has ordered the delivery of such articles, be given up when the extradition takes place ; and the said delivery shall extend not merely to the stolen articles, but to everything that may serve as a proof of the crime.

" ARTICLE XVI.

" All expenses connected with extradition shall be borne by the demanding State.

" ARTICLE XVII.

" The stipulations of the present Treaty shall be applicable to the Colonies and foreign possessions of Her Britannic Majesty, so far as the laws for the time being in force in such Colonies and foreign possessions respectively will allow.

" The requisition for the surrender of a fugitive criminal, who has taken refuge in any of such Colonies or foreign possessions, shall be made to the Governor or chief authority of such Colony or possession by the chief Consular officer of the Republic of Bolivia in such Colony or possession.

" Such requisition may be disposed of, subject always, as nearly as may be, and so far as the law of such Colony or foreign possession will allow, to the provisions of this treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

" Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign possessions for the surrender of Bolivian criminals who may take refuge within such Colonies and foreign possessions, on the basis, so far as the law of such Colony or foreign possession will allow, of the provisions of the present Treaty.

" Requisitions for the surrender of a fugitive criminal emanating from any Colony or foreign possesion of Her Britannic Majesty shall be governed by rules laid down in the preceding Articles of the present Treaty.

" ARTICLE XVIII.

" The present Treaty shall come into force ten days after its publication, in conformity with the forms prescribed by the laws of the high contracting parties. It may be terminated by either of the high contracting parties by a notice not exceeding one year, and not less than six months.

" The Treaty, after receiving the approval of the Congress of the Republic of Bolivia, shall be ratified, and the ratifications shall be exchanged at Lima as soon as possible.

" In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

" Done at Lima, on the twenty-second day of February, one thousand eight hundred and ninety-two.

" G. JENNER.
" J. M. BRAUN."

And whereas the ratifications of the said Treaty were exchanged at Lima on the seventh day of March, one thousand eight hundred and ninety-eight.

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the fourth day of November, one thousand eight hundred and ninety-eight, the said Acts shall apply in the case of Bolivia, and of the said Treaty with the President of the Republic of Bolivia.

Provided always, that the operation of the said Acts, shall be and remain suspended within the Dominion of Canada so long as an Act of the Parliament of Canada passed in one thousand eight hundred and eighty-six, and entitled "An Act respecting the extradition of Fugitive Criminals," shall continue in force there, and no longer.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS a number of applications have been received for locations in the Yukon Territory for the purpose of the ground being worked by the hydraulic method of mining or by other means requiring operations on a large scale ;

And whereas it is deemed advisable to provide for the setting apart of suitable ground for the purpose aforesaid, and it is considered that the public interest will be best served by the right to work the ground so set apart being put up to public competition, provision being made for the protection of persons, who by themselves or others acting for them have heretofore prospected any particular ground for which they have filed applications,—

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, has been pleased to make, and doth hereby make the following regulations for the disposal of mining locations to be worked by the hydraulic or other mining process :—

1. Locations on any stream, watercourse or plateau in the Yukon Territory, shall have a frontage in direct line of from one to five miles in length as may be decided by the Minister of the Interior, and a depth of one mile, but where such location is situate in a valley its depth may extend to the limits of the valley if so ordered by the Minister of the Interior : Provided that in the case of a location situate on a stream or watercourse, the depth of such location shall be measured from low water mark, and the lease thereof shall be subject to any lease for the dredging of such stream or watercourse which may have been issued prior to the date of the lease of the location.

2. Each alternate claim shall, until otherwise ordered by the Minister of the Interior, be reserved.

3. To any person who has prior to the date hereof filed an application in the Department of the Interior at Ottawa, or in the office of the Commissioner of the Yukon Territory or in the office of the Gold Commissioner for a mining location in the Yukon Territory not provided for by the mining regulations already in force, the Minister of the Interior may issue a lease subject to the same conditions as to size and otherwise, and conferring the same rights as a lease issued under these regulations for a location acquired at public competition ; provided that the Commissioner has reported that it has been proved to his satisfaction that the applicant himself, or a person acting for him, was upon and actually prospected prior to the date hereof the ground included in the location, and provided further that the Gold Commissioner has reported that the ground included in the location is not being worked and is not suitable to be worked under the regulations governing placer mining. But under this section no person shall be given a lease for more than one location.

4. The unreserved locations not disposed of under the next preceding section shall be offered at public competition, and awarded to the highest bidder after being advertised in such manner and at such time as the Minister of the Interior may direct ; and to the person or corporation to whom any such location may be awarded at such competition the Minister of the Interior may, after such person or corporation has obtained a free miner's certificate as provided in the regulations governing placer mining, and filed in the Department of the Interior at Ottawa, within a period to be fixed by the Minister, a Dominion Land Surveyor's plan of the location, issue a lease of the same for a term not exceeding twenty years, such lease to be renewable for a further period of twenty years upon the performance to the satisfaction of the Minister of the Interior of the conditions imposed thereby.

5. In addition to the bonus offered there shall be paid in advance by each lessee an annual rental of $150 for each mile of frontage ; and the same royalty shall be paid upon the out-put of gold as is provided or may hereafter be provided in the case of placer claims, except that there shall be exempted from such royalty $25,000 of the annual out-put, the royalty to be paid in the manner provided in the regulations governing placer mining.

6. The lease shall be in such form and contain such conditions, not inconsistent with these regulations, as may be approved of by the Minister of the Interior.

7. The lessee shall be required to begin active operations on his location within one year from the date of his lease, and he shall be required to expend in operating his location not less than $5,000 during each year from the date of the lease.

8. The lease shall not convey the right to mine for any minerals other than the precious metals nor shall it convey the right to engage in quartz mining otherwise than in accordance with and subject to the regulations governing quartz mining ; and it shall reserve to free miners the right to enter upon the location covered by it, take up, locate and mine for minerals, in veins or lodes in the manner provided in the said regulations.

9. The lessee shall have the exclusive right to enter upon and occupy his location for the purpose of mining thereon, but the lessee shall not prevent free ingress and egress to any person requiring to cross his location or the conveyance thereover of any mining appliances, apparatus or plant which may be required in the working of any other mining ground ; and the lessee's right or occupation shall be subject to all orders which may be made by the Minister of the Interior, or the Gold Commissioner as to such right of way, and also for ditches, flumes or tramways as may by the said Minister or Gold Commissioner be considered necessary or advisable in order to facilitate the working of any other mining ground, and subject further to such orders as may be made by the Minister of the Interior or the Commissioner of the Yukon Territory as to the right of way for railways, roads or other public works.

10. The lessee's right to water on his location or to the diversion of water in connection with his operations thereon shall be subject to the regulations approved by Order in Council of the 3rd August, 1898.

11. The holder of a lease may cut, free of dues, such of the timber on a location as may be necessary for working the same in connection with his mining operations, but not for sale or traffic, except in cases where such timber has been granted or disposed of prior to the date of the lease ; provided that the Commissioner of the Yukon Territory may grant a permit to a lease-holder to cut and sell any timber which it is necessary to remove in order to work the location, and may permit any person to cut and remove from a location cordwood for his own use, when such cordwood cannot otherwise be had within a reasonable distance ; but no such permit shall convey the right to cut or remove wood required by the lessee for his mining operations.

12. In case any lessee shall at any time make default in the payment of the rental or the royalty payable under these regulations, or shall make default in the performance of the conditions imposed by these regulations, or by the lease, the Gold Commissioner may post a notice in a conspicuous place upon the location in connection with which such default has been made, and may mail a copy of such notice to the last address of the lessee known to the Commissioner, requiring such default to be remedied, and in case such default is not remedied within three months of the date of the posting of the notice upon the location all the rights of the lessee under the lease and under these regulations shall be and become *ipso facto* null and void.

13. When it is decided to hold any ground for the purpose of the same being included in locations under these regulations the Gold Commissioner shall cause a notice to that effect to be posted in a prominent and conspicuous place in the office of the Mining Recorder of the district in which the ground is situate ; and after the posting of such notice no occupation or right under the regulations governing placer mining shall be recognized on any ground so held ; but any *bona fide* occupation or right acquired under such

regulations prior to the posting of such notice shall be recognized, and the Gold Commissioner shall make provision for the miner who has acquired such occupation or right being protected in the same.

14. If any case arises for which no provision is made in these regulations, the provisions of the regulations governing the disposal of mineral lands other than coal lands, approved by His Excellency the Governor in Council on the 21st March, 1898, and of the placer mining regulations approved on the 18th January, 1898, or such other regulations as may be substituted therefor, shall apply.

ON a report, dated 23rd September, 1898, from the Minister of the Interior, stating that some inconvenience and misapprehension have arisen and are likely to continue to arise in the minds of the public from the fact of several of the Land Agency Districts in Manitoba and the Territories bearing different designations from those by which such Districts are commonly known and which are derived from the names at the central points at which the Land Agency Offices are actually located.

The Minister therefore recommends, in order that the names of these Land Agency Districts may bear some more convenient and exact relation to the locality of the lands embraced within their boundaries, that the following changes be made in the names of those Districts hereafter enumerated :—

Souris	to be hereafter	Brandon.
Saskatchewan	"	Minnedosa.
Lake Dauphin	"	Dauphin.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 19th day of November, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report, dated 10th November, 1898, from the Minister of the Interior, stating that the Government of the North-west Territories, through the Deputy Commissioner of Public Works at Regina, have made application to have permanently set aside from sale or settlement, as a public water reserve, the south-east quarter of Section 27, Township 18, Range 17 west of the 2nd Meridian, on account of some springs which are located therein.

The Minister states that the above mentioned quarter-section was reserved to the Canadian Pacific Railway Company as a portion of their land grant, but that company having agreed to waive their claim thereto, the south-east quarter of Section 21, Township 16, Range 2 east of the 1st Meridian, at their request, has been granted to them in lieu of the first mentioned land.

The Minister recommends that the said south-east quarter of Section 27, Township 18, Range 17 west of the 2nd Meridian be reserved during pleasure for the purpose of furnishing water supply to the settlers in the vicinity of such land.

The Committee submit the above recommendation for Your Excellency's approval.

JOHN J. McGEE,
Clerk of the Privy Council.

ARRÊTÉ EN CONSEIL.

TRAITÉ D'EXTRADITION AVEC LA RÉPUBLIQUE DE BOLIVIE.

Balmoral, 20e jour d'octobre 1898.

AU Château de Balmoral, le 20e jour d'octobre 1898.

PRÉSENTS :

Sa Très-Excellente Majesté la REINE.
Le duc de Fife.
Le comte de Kintore.
Lord George Hamilton.

CONSIDÉRANT que par les *Actes d'extradition*, 1870 et 1895, il est statué, entre autres choses, que chaque fois qu'un arrangement aura été conclu avec un Etat étranger au sujet de la reddition à cet Etat de criminels fugitifs, Sa Majesté pourra ordonner par arrêté en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; et que Sa Majesté pourra, par le même ou par un arrêté subséquent, restreindre l'opération du dit arrêté et limiter son application aux criminels fugitifs qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans l'arrêté, et en rendre l'exécution sujette aux conditions, exceptions et restrictions qui pourront être jugées convenables.

Et considérant qu'un traité a été conclu le vingt-deuxième jour de février mil huit cent quatre-vingt-douze, entre Sa Majesté et le Président de la République de Bolivie, pour l'extradition mutuelle de criminels fugitifs, lequel est rédigé comme suit :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et Son Excellence le Président de la République de Bolivie ayant jugé convenable, en vue d'une meilleure administration de la justice, et pour prévenir les crimes dans les deux pays et leurs juridictions, que les individus accusés ou convaincus des crimes ci-après énumérés, et qui se seraient soustraits par la fuite aux poursuites de la justice fussent dans certaines circonstances, réciproquement extradés, ont nommé pour leurs plénipotentiaires, à l'effet de conclure un traité dans ce but, savoir :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, son chargé d'affaires *ad interim* M. George Jenner ;

Et Son Excellence le président de la République de Bolivie, Senor Don José Manuel Braun, envoyé extraordinaire et ministre plénipotentiaire au Pérou ;

Lesquels après s'être communiqués leurs pleins pouvoirs respectifs, trouvés en bonne et due forme, ont arrêté et conclu les articles suivants :—

ARTICLE I.

Les hautes parties contractantes s'engagent à se livrer réciproquement, dans les circonstances et sous les conditions prévues par le présent traité, les individus qui, poursuivis ou condamnés pour aucun des crimes ou délits énumérés dans l'article II, commis sur le territoire de l'une des parties, seraient trouvés sur le territoire de l'autre.

ARTICLE II.

Les crimes et délits pour lesquels l'extradition sera accordée sont les suivants :—

1. Meurtre (y compris assassinat, parricide, infanticide, empoisonnement), ou tentative ou conspiration de commettre un meurtre.
2. Homicide sans préméditation.
3. Administration de substances ou emploi d'instruments dans l'intention de provoquer l'avortement.
4. Viol.
5. Connaissance charnelle, ou tentative de connaître charnellement une fille âgée de moins de 16 ans, si la preuve fournie justifie l'arrestation pour ces crimes d'après les lois des deux parties contractantes.
6. Attentat à la pudeur.
7. Séquestration, détention illégale, vol d'enfants.
8. Enlèvement ou détournement de mineurs.
9. Bigamie.
10. Blessures ou autres lésions corporelles graves infligées avec malice.
11. Voies de fait ayant occasionné des lésions corporelles.

15. Vol avec effraction, ou bris de maison, vol avec violence, larcin ou détournement.

18. (*a*.) Contrefaçon ou altération de monnaies, et mise en circulation de monnaies contrefaites ou altérées.

    (*b*.) Fabrication avec connaissance de cause et sans autorisation d'un instrument, outil, ou engin adapté et destiné à la contrefaçon de la monnaie du pays.

    (*c*.) Faux, ou mise en circulation de pièces, effets ou écritures publics ou privés, falsifiés, contrefaits, ou altérés.

20. Tout acte commis avec intention de mettre en danger la vie de personnes se trouvant dans un train de chemin de fer.
21. Destruction ou dégradation de toute propriété, lorsque le fait incriminé est punissable de peines criminelles ou correctionnelles.
22. Piraterie et autres crimes et délits commis en mer contre des personnes ou choses, lesquels, d'après les lois des hautes parties contractantes sont des crimes sujets à l'extradition, et punissables de plus d'un an d'emprisonnement.
23. Traite des esclaves telle qu'elle est punie par les lois des deux pays.

L'extradition aura également lieu pour complicité d'un des crimes ci-dessus mentionnés, pourvu que la complicité soit punissable par les lois des deux parties contractantes.

Il dépendra de l'Etat requis d'accorder également l'extradition pour tout autre crime à raison duquel l'extradition peut avoir lieu d'après les lois en vigueur des deux parties contractantes.

ARTICLE III.

Chacun des deux gouvernements aura liberté pleine et entière de refuser à l'autre l'extradition de ses propres sujets.

ARTICLE IV.

L'extradition ne sera pas accordée si l'individu réclamé par le gouvernement de Sa Majesté, ou l'individu réclamé par le gouvernement de Bolivie a été jugé, acquitté ou puni, ou se trouve encore sous jugement dans le territoire de la République de Bolivie ou dans le Royaume-Uni respectivement, pour le crime à raison duquel l'extradition est demandée.

Si la personne réclamée par le gouvernement de Sa Majesté ou par celui du gouvernement de Bolivie est en état de prévention dans le territoire de la République de Bolivie ou dans le Royaume-Uni respectivement pour un autre crime, son extradition sera différée jusqu'à la conclusion de son procès, et qu'elle ait purgé la peine qui lui aura été infligée.

ARTICLE V.

L'extradition n'aura pas lieu si depuis la perpétration du crime, les poursuites ou la condamnation, la prescription des poursuites ou de la peine est acquise d'après les lois de l'un ou l'autre pays.

Elle n'aura pas lieu non plus lorsque, d'après les lois des deux pays, le maximum de peine est moindre qu'un an d'emprisonnement.

ARTICLE VI.

Le criminel fugitif ne sera pas extradé si le délit pour lequel l'extradition est demandée est considéré comme un délit politique, ou si l'individu prouve que la demande d'extradition a été faite en réalité dans le but de le poursuivre ou de le punir pour un délit d'un caractère politique.

ARTICLE VII.

L'individu qui aura été livré ne pourra, en aucun cas, dans le pays auquel l'extradition a été accordée, être maintenu en état d'arrestation ou poursuivi pour aucun crime ou faits autres que ceux qui avaient motivé l'extradition, à moins qu'il n'ait été réintégré, ou n'ait eu l'occasion de retourner de lui-même dans l'Etat qui l'avait extradé.

Cette stipulation n'est pas applicable aux crimes commis après l'extradition.

ARTICLE VIII.

L'extradition sera demandée par la voie des agents diplomatiques des hautes parties contractantes respectivement.

La demande d'extradition d'un prévenu devra être accompagnée d'un mandat d'arrêt décerné par l'autorité compétente de l'Etat requérant, et des preuves qui, d'après les lois de l'endroit où le prévenu a été trouvé, justifieraient son arrestation si l'acte punissable y avait été commis.

Si la demande d'extradition concerne une personne déjà condamnée, elle doit être accompagnée de l'arrêt de condamnation qui a été rendu contre le coupable par le tribunal compétent de l'Etat requérant.

Un arrêt rendu par contumace ne sera pas considéré comme une condamnation, mais une personne ainsi condamnée pourra être traitée comme une personne accusée.

ARTICLE IX.

Si la demande d'extradition s'accorde avec les stipulations précédentes, les autorités compétentes de l'Etat requis procèderont à l'arrestation du fugitif.

ARTICLE X.

Un criminel fugitif pourra être arrêté en vertu d'un mandat émis par tout magistrat de police, juge de paix, ou autre autorité compétente dans l'un ou l'autre pays, sur telle information ou plainte et preuve, ou après telles procédures qui, dans l'opinion de l'autorité qui émet le mandat, justifieraient l'émission d'un mandat si le crime avait été commis ou si la personne avait été trouvée coupable dans cette partie des possessions des deux parties contractantes dans laquelle le magistrat, juge de paix ou autre autorité compétente a juridiction ; pourvu, toutefois, que dans le Royaume-Uni, l'accusé sera, dans chaque cas, envoyé aussitôt que possible devant un magistrat de police à Londres. Le criminel sera, en conformité du présent article, libéré, tant dans la République de Bolivie que dans le Royaume-Uni, si, dans le délai de soixante jours, une demande d'extradition n'est pas faite par l'agent diplomatique de son pays, en conformité des stipulations du présent traité.

La même règle s'appliquera dans le cas de personnes accusées ou trouvées coupables d'aucun des crimes ou délits spécifiés au présent traité, et commis sur la haute mer à bord d'un navire appartenant à l'un quelconque des deux pays, qui arrivera dans le port de l'autre.

ARTICLE XI.

L'extradition n'aura lieu que dans le cas où les preuves fournies auront été trouvées suffisantes d'après les lois de l'Etat requis, soit pour justifier la mise sous jugement du prisonnier, dans le cas où le crime aurait été commis sur le territoire du même Etat, soit pour constater l'identité du prisonnier avec l'individu condamné par les tribunaux de l'Etat requérant, et prouver que le crime dont il a été reconnu coupable aurait pu causer son extradition par l'Etat requis à l'époque de sa condamnation ; et l'extradition d'un criminel n'aura lieu qu'à l'expiration d'un terme de quinze jours à dater de son emprisonnement en vue de l'extradition.

ARTICLE XII.

Les autorités du pays requis quand elles procèderont à l'examen établi par les stipulations précédentes, devront admettre comme preuves entièrement valables les dépositions assermentées ou les affirmations faites dans l'autre pays, ou les copies de ces pièces de même que les mandats d'arrêt et les sentences rendues dans ce pays, ainsi que les certificats de condamnation ou les pièces judiciaires constatant le fait d'une condamnation, pourvu que ces documents soient rendus authentiques de la manière suivante :—

1. Un mandat doit être signé par un juge, magistrat, ou officier de l'autre pays.
2. Les dépositions ou affirmations ou les copies de ces pièces doivent porter la signature d'un juge, magistrat, ou officier de l'autre pays, constatant que ces dépositions ou ces affirmations se trouvent être en expédition originale ou en copie vidimée, selon le cas.
3. Un certificat de condamnation ou un document judiciaire constatant le fait d'une condamnation doit être certifié par un juge, magistrat, ou officier de l'autre pays.
4. Ces mandats, dépositions, affirmations, copies, certificats ou documents judiciaires doivent être rendus authentiques dans chaque cas, soit par le serment d'un témoin, soit par l'apposition du sceau officiel et la légalisation du ministre de la Justice, ou quelque autre ministre de l'autre pays ; cependant, les pièces sus-énoncées pourront être rendues authentiques de toute autre manière dans le pays où l'examen de l'affaire aura lieu.

ARTICLE XIII.

Si l'individu réclamé par l'une des deux hautes parties contractantes, en exécution du présent traité, est aussi réclamé par une ou plusieurs autres puissances, du chef d'autres crimes ou délits commis sur leurs territoires respectifs, son extradition sera accordée à l'Etat dont la demande est la plus ancienne en date.

ARTICLE XIV.

Le fugitif sera mis en liberté si les preuves suffisantes à l'appui de la demande en extradition ne sont pas produites dans l'espace de deux mois, à partir du jour de l'arrestation ou de tel autre terme plus éloigné qui aura été indiqué par l'Etat requis ou le tribunal compétent de cet Etat.

ARTICLE XV.

Les objets saisis en la possession de l'individu réclamé au moment de son arrestation seront, si l'autorité compétente de l'Etat requis en a ordonné la remise, livrés lorsque l'extradition aura lieu ; cette remise ne comprendra pas seulement les objets volés, mais encore tout ce qui peut servir de pièce de conviction.

ARTICLE XVI.

Toutes les dépenses occasionnées par une demande d'extradition seront à la charge de l'Etat requérant.

ARTICLE XVII.

Les stipulations du présent traité seront applicables aux colonies et possessions étrangères de Sa Majesté Britannique, pour autant que faire se pourra d'après les lois en vigueur dans ces colonies et possessions étrangères respectivement.

La demande d'extradition d'un criminel qui s'est réfugié dans une de ces colonies ou possessions étrangères pourra être faite au Gouverneur ou à l'autorité supérieure de cette colonie ou possession, par le premier officier consulaire de la République de Bolivie dans cette colonie ou possession.

Le Gouverneur ou l'autorité supérieure mentionné ci-dessus décidera à l'égard de telles demandes, en se conformant autant que faire se pourra, d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité. Il sera toutefois libre d'accorder l'extradition ou de soumettre le cas à son gouvernement.

Il est réservé toutefois à Sa Majesté Britannique de faire, en se conformant autant que faire se pourra d'après les lois de ces colonies ou possessions étrangères, aux stipulations du présent traité, des arrangements spéciaux dans les colonies britanniques et possessions étrangères pour l'extradition de criminels de Bolivie qui auraient trouvé un refuge dans ces colonies et possessions étrangères.

Les demandes faites par une colonie ou possession étrangère de Sa Majesté Britannique pour l'extradition d'un criminel fugitif, seront traitées suivant les dispositions des articles précédents du présent traité.

ARTICLE XVIII.

Le présent traité sera exécutoire à dater du dixième jour après sa promulgation, dans les formes prescrites par les lois des deux pays. Chacune des hautes parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis d'un an au plus et de six mois au moins.

Le traité sera ratifié, après avoir reçu l'approbation du Congrès de la République de Bolivie, et les ratifications seront échangées à Lima aussitôt que possible.

En foi de quoi les plénipotentiaires respectifs ont signé le présent traité et y ont apposé le cachet de leurs armes.

Fait à Lima, le vingt-deuxième jour de février, dans l'année 1892.

G. JENNER.
J. M. BRAUN.

Et attendu que les ratifications du dit traité ont été échangées à Lima le septième jour mars mil huit cent quatre-vingt-dix-huit.

C'est pourquoi Sa Majesté, par et de l'avis de son Conseil privé, et en vertu de l'autorité que lui confèrent les dits actes cités, ordonne et il est par le présent ordonné, que le et après le quatrième jour de novembre mil huit cent quatre-vingt-dix-huit, les dits actes s'appliqueront dans le cas de Bolivie, et du dit traité avec le Président de la République de Bolivie.

Pourvu, toujours, et il est par le présent ordonné que l'opération des dits Actes sera suspendue dans la Puissance du Canada, tant que les dispositions de l'acte canadien de 1886 intitulé "Acte concernant l'extradition des criminels fugitifs," resteront en vigueur, et pas plus longtemps.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

SUR un rapport daté le 23 de septembre 1898, du ministre de l'Intérieur, énonçant qu'il s'est élevé des ennuis et des doutes, qui probablement continueront d'exister dans l'esprit du public, du fait que plusieurs des districts d'agence de terres dans le Manitoba et les Territoires du Nord-Ouest portent des désignations différentes de celles par lesquelles ces districts sont généralement connus, et qui sont tirées des noms à certains points centraux où les bureaux d'agence des terres sont actuellement situés.

Le Ministre recommande donc, afin que les noms de ces districts d'agence de terres soient désignés par des noms plus en harmonie avec la localité des terres renfermées dans leurs bornes, que les changements suivants soient faits dans les noms des districts ci-après énumérés :—

Souris	sera à l'avenir	Brandon.
Saskatchewan	"	Minnedosa.
Lac Dauphin	"	Dauphin.
Touchwood	"	Yorkton.
Qu'Appelle	"	Regina.
Coteau	"	Alameda.

Le comité soumet ce qui précède à l'approbation de Votre Excellence.

Samedi, le 3e jour de décembre 1898.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que des demandes ont été reçues pour des emplacements dans le territoire du Yukon, à l'effet d'exploiter le terrain par la méthode hydraulique, ou par d'autres moyens exigeant des opérations sur une grande échelle ;

Et considérant qu'il convient de prendre des mesures pour mettre à part le terrain propre à ce genre d'exploitation, et qu'il serait dans l'intérêt du public d'offrir à l'enchère le droit d'exploiter le terrain ainsi mis à part, tout en prenant des mesures pour la protection des personnes qui, par eux-mêmes ou par d'autres agissant pour elles ont déjà prospecté un certain terrain pour lequel il ont déposé leurs demandes,—

A ces causes il a plu à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'établir, et il établit par le présent, les règlements ci-dessous pour la concession d'emplacements miniers qui seront exploités par le procédé hydraulique ou autre :—

1. Les emplacements sur un ruisseau, cours d'eau ou plateau dans le territoire du Yukon auront un front en ligne directe de un à cinq milles de longueur, selon que le décidera le Ministre de l'Intérieur, et une profondeur d'un mille ; mais lorsque cet emplacement est situé dans une vallée sa profondeur pourra s'étendre jusqu'aux limites de la vallée si le Ministre de l'Intérieur en ordonne ainsi ; pourvu que dans le cas d'un emplacement situé sur un ruisseau ou cours d'eau la

profondeur de cet emplacement sera mesurée à partir de la marque de l'eau basse, et le bail de cet emplacement sera assujéti à tout bail pour le dragage de ce ruisseau ou cours d'eau qui aura pu être émis antérieurement à la date du bail de l'emplacement.

2. Jusqu'à ce que le Ministre de l'Intérieur en ordonne autrement, chaque claim alternatif sera réservée.

3. A toute personne qui, antérieurement à la date du présent a déposé une demande au département de l'Intérieur à Ottawa, ou dans le bureau du Commissaire du territoire du Yukon, ou dans le bureau du Commissaire des mines d'or pour un emplacement minier dans le territoire du Yukon ne tombant pas sous les règlements miniers déjà en force, le Ministre de l'intérieur pourra délivrer un bail sujet aux mêmes conditions quant à la dimension et autrement, et conférant les mêmes droits qu'un bail délivré en vertu des présents règlements pour un emplacement acquis à l'enchère publique ; pourvu que le Commissaire ait fait rapport qu'il a été prouvé à sa satisfaction que le requérant même, ou une personne agissant pour lui, était sur le terrain et avait actuellement prospecté le terrain compris dans l'emplacement avant la date du présent ; et pourvu de plus que le Commissaire des mines d'or ait fait rapport que le terrain compris dans l'emplacement n'est pas exploité et n'est pas propre à être exploité en vertu des règlements concernant les mines alluviales. Mais en vertu du présent article personne ne recevra un bail pour plus d'un emplacement.

4. Les emplacements non réservée qui ne sont pas concédés en vertu de l'article immédiatement précédent, seront offerts à l'enchère, et adjugés au plus haut enchérisseur, après avoir été annoncés en la manière et aux époques que le Ministre de l'Intérieur décidera ; et à la personne ou corporation à laquelle un tel emplacement aura été adjugé à cette enchère, le Ministre de l'Intérieur pourra,—après que cette personne ou corporation aura obtenu un certificat de mineur libre tel que prescrit par les règlements concernant les mines alluviales, et avoir déposé au département de l'Intérieur à Ottawa, sous un délai que fixera le Ministre de l'Intérieur, un plan de l'emplacement exécuté par un arpenteur fédéral,—délivrer un bail pour cet emplacement pour un terme de vingt ans au plus ; ce bail sera renouvelable pour une autre période de vingt ans si les conditions imposées par le bail ont été remplies à la satisfaction du Ministre de l'Intérieur.

5. En sus du boni offert, il sera payé à l'avance par chaque locataire une rente annuelle de $150 pour chaque mille de front ; et le même droit régalien sera payé sur le rendement d'or tel que prescrit ou sera ci-après prescrit dans le cas d'emplacements de mines alluviales, sauf que $25,000 du rendement annuel seront exemptées de ce droit régalien, le droit régalien devant être payé en la manière prescrite dans les règlements concernant les mines alluviales.

6. Le bail sera d'une forme et contiendra les conditions non incompatibles avec les présents règlements' qu'approuvera le Ministre de l'Intérieur.

7. Le locataire sera tenu de commencer les opérations sur son emplacement sous un an de la date de son bail, et il sera tenu de dépenser dans l'exploitation de son emplacement pas moins que $5,000 durant chaque année de son bail.

8. Le bail ne comportera pas le droit de miner pour d'autres minéraux que les métaux précieux, il ne comportera pas non plus le droit de s'engager dans les mines de quartz autrement qu'en conformité et sujet aux règlements des règlements concernant les mines de quartz, et il réservera aux mineurs libres le droit d'entrer sur l'emplacement couvert par le bail, prendre, choisir et extraire des minéraux, dans des veines ou filons en la manière établie par les dits règlements.

9. Le locataire aura le droit exclusif d'entrer sur et d'occuper son emplacement pour des fins d'extraction, mais le locataire n'empêchera pas la libre entrée et sortie de toute autre personne obligée de traverser son emplacement, ou d'y transporter tous appareils accessoires ou outillage d'extraction qui seraient nécessaires dans l'exploitation de tout autre terrain minier ; et le droit ou occupation du locataire sera assujéti à tous arrêtés qui seront adoptés par le Ministre de l'Intérieur ou le Commissaire des mines d'or au sujet du droit de passage, et aussi au sujet des fossés, conduites d'eau ou tramways que le dit Ministre ou Commissaire des mines d'or jugeront nécessaires ou avantageux pour faciliter l'exploitation de tout autre terrain minier, et sujet de plus à tels arrêtés que le Ministre de l'Intérieur ou le Commissaire des mines d'or du territoire du Yukon adopteront relativement au droit de passage pour les chemins de fer, chemins ou autres travaux publics.

10. Le droit du locataire à l'eau sur son emplacement, ou au détournement de l'eau en rapport avec les opérations, sera soumis aux règlements approuvés par arrêté en conseil du 3 d'août 1898.

11. Le porteur d'un bail pourra abattre, sans payer de droits, telle partie du bois de construction sur son emplacement qui sera nécessaire pour l'exécuter relativement à ses opérations minières, mais non pour la vente ou le trafic sauf dans les cas où ce bois de construction a été concédé ou vendu préalablement à la date du bail ; pourvu que le Commissaire du territoire du Yukon pourra accorder un permis à un locataire pour abattre et vendre tout bois de construction qu'il serait nécessaire d'enlever afin de pouvoir exploiter l'emplacement, et pourra permettre à toute personne d'abattre et d'enlever d'un emplacement du bois de chauffage pour son propre usage, lorsque ce bois de chauffage ne peut s'obtenir autrement dans une distance raisonnable ; mais nul tel permis ne comportera le droit d'abattre ou d'enlever du bois dont a besoin le locataire pour ses opérations minières.

12. Si en aucun temps le locataire fait défaut dans le paiement de la rente ou du droit régalien payable en vertu des présents règlements, ou fait défaut dans l'exécution des conditions imposées par les présents règlements, ou par le bail, le Commissaire des mines d'or pourra afficher un avis dans un endroit bien en vue sur l'emplacement à l'égard duquel ce défaut à eu lieu, et pourra envoyer par la poste une copie de cet avis à la dernière adresse du locataire connue du Commissaire, demandant que ce défaut soit remédié, et si ce défaut n'est pas remédié sous trois mois de la date de l'affichage de l'avis sur l'emplacement tous les droits du locataire en vertu du bail et en vertu des présents règlements seront et deviendront *ipso facto* nuls.

13. Lorsqu'il est décidé de retenir un terrain quelconque dans le but de l'inclure dans des emplacements en vertu des présents règlements, le Commissaire des mines d'or fera afficher un avis dans un endroit bien en vue dans le bureau du Régistrateur des mines du district dans lequel le terrain est situé ; et après l'affichage de cet avis, ni occupation ni droit en vertu des règlements concernant les mines alluviales ne sera reconnu sur le terrain ainsi retenu ; mais toute occupation ou droit *bona fide* acquis en vertu de ces règlements antérieurement à l'affichage de cet avis sera reconnu, et le Commissaire des mines d'or veillera à ce que le mineur qui a acquis cette occupation ou droit soit protégé sous ce rapport.

14. S'il se présente des cas non prévus dans les présents règlements, les dispositions concernant la concession de terrains miniers autres que terrains houillers, approuvées par Son Excellence le Gouverneur en conseil le 21 de mars 1898, et des règlements concernant les mines alluviales approuvés le 18 janvier 1898, ou tels autres règlements qui y seront substitués, s'appliqueront.

DEMANDES AU PARLEMENT.

RÈGLES *in re* AVIS DE BILLS PRIVÉS.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos "Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

Résolu,—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir:—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

And whereas in and by an Act of the Parliament of Canada passed in the fifty-eighth and fifty-ninth years of Our Reign, chaptered forty-seven and intituled "An Act to incorporate the Dominion Atlantic Railway Company" it was amongst other things in effect enacted that the said "The Dominion Atlantic Railway Company" should have power to purchase all the property in Canada of the said Windsor and Annapolis Railway Company with all its lands, franchises powers, rights, privileges, equipments, stations, plant, rolling stock, materials, stores and appartenances ; And whereas the said The Dominion Atlantic Railway Company did duly purchase the said property of the Windsor and Annapolis Railway Company and all its said lands, franchises, powers, rights, privileges, equipments, stations, plant, rolling stock, materials, stores and appurtennes ;

And whereas it was in the said last mentioned Act also in effect enacted that Our Governor in Council and the said The Dominion Atlantic Railway Company might enter into an agreement providing for the commutation and release of any right or privilege with respect to the drawback of Customs or import duties under the said contract or agreement between the Chief Commissioner of Railways for the Province of Nova Scotia and William Henry Punchard, Frederick Barry and Edwin Clark, in consideration of the payment of such sum in cash as is determined upon and mentioned in the said agreement, and that Our Governor in Council might upon the execution of such an agreement by proclamation repeal any provision of any Act of the Legislature of Nova Scotia or of the Parliament of Canada granting such right or privilege so commuted ;

ORDINANCE No. 47 of 1898

(of the 8th of July)

By which the Commercial tax is raised and certain powers conceded to the Municipalities of the Department.

The Departmental Assembly of Panama in the exercise of its legal powers :

Ordains :—

Article 1.—Persons who receive foreign goods, to be sold, employed, or consumed in the Department are subject to pay for these operations a tax of fifteen per cent (15 p. c.) silver upon the net value in Colombian gold of the goods received for such purpose. The value in gold will be calculated in the manner established in Article 1 of Ordinance No. 78 of 1894.

The invoices of goods originating in countries where the ruling monetary basis is silver, and which, on that account, come declared in that money, will be liquidated for the collection of the corresponding duty, without any interest of premium or discount, at the same rate of fifteen per cent (15 p. c.) of its value in Colombian silver.

Article 2. All the municipalities of the Department are authorized to charge commercial establishments that do not directly import their merchandise from abroad, with a monthly tax that shall not exceed thirty dollars—the taxes are stipulated in Colombian currency throughout—($30) nor be less than one dollar ($1).

Article 2. Annul section 44 of Article 1 of the Ordinance No. 70 of 1894 that specifies "Consumption of Foreign Articles."

Article 4. Authorize the Governor of the Department that he may in special cases concede the exemption of the Commercial tax on effects received by Consuls resident in this Department, be they for office or personal use, at the discretion of the Governor and when he does not fear that with them (the effects) any commerccal operation may be effected. This is as an act of courtesy and deference towards the representatives of friendly nations, who are in the career of consular service ; those who temporarily or permanently occupy themselves in mercantile transactions cannot enjoy such privileges.

Article 5. The same magistrate is authorized when he believes it to be opportune for fiscal interests to establish warehouse deposits in the cities of Panama, Colon, and Bocas del Toro for the custody of merchandise that, having arrived in transit, does not immediately continue to its respective destination, and for the examination of local cargo.

Article 6. The slaughter-house and hog-pen taxes which the Municipalities are authorized to establish may amount to one dollar fifty cents ($1.50) for each head of larger cattle and to one dollar thirty cents for each head of small stock that is slaughtered within the edifice destined for the purpose.

Excepted from the list of small stock are sheep and goats, for which will be levied one dollar, and fifty cents ($1), (50 cents) respectively.

Article 7. Besides the taxes mentioned in the preceding article the Municipality may collect the sum of thirty cents for each pig or sheep that is admitted into the hog-pen and destined for public consumption.

Article 8. There are abrogated by the terms of this Ordinance, Article 1 of the Governor's Decree No. 139*bis* of 1894, Article 2 of the Ordinance No. 24 of the same year, Articles 1 and 3 of Ordinance 70, also of 1894, and Article 1 of No. 85 of 1896.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Saturday, the 3rd day of December, 1898.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS a number of applications have been received for locations in the Yukon Territory for the purpose of the ground being worked by the hydraulic method of mining or by other means requiring operations on a large scale ;

And whereas it is deemed advisable to provide for the setting apart of suitable ground for the purpose aforesaid, and it is considered that the public interest will be best served by the right to work the ground so set apart being put up to public competition, provision being made for the protection of persons, who by themselves or others acting for them have heretofore prospected any particular ground for which they have filed applications,—

Therefore His Excellency, by and with the advice of the Queen's Privy Council for Canada, has been pleased to make, and doth hereby make the following regulations for the disposal of mining locations to be worked by the hydraulic or other mining process :—

1. Locations on any stream, watercourse or plateau in the Yukon Territory, shall have a frontage in direct line of from one to five miles in length as may be decided by the Minister of the Interior, and a depth of one mile, but where such location is situate in a valley its depth may extend to the limits of the valley if so ordered by the Minister of the Interior : Provided that in the case of a location situate on a stream or watercourse, the depth of such location shall be measured from low water mark, and the lease thereof shall be subject to any lease for the dredging of such stream or watercourse which may have been issued prior to the date of the lease of the location.

2. Each alternate claim shall, until otherwise ordered by the Minister of the Interior, be reserved.

3. To any person who has prior to the date hereof filed an application in the Department of the Interior at Ottawa, or in the office of the Commissioner of the Yukon Territory or in the office of the Gold Commissioner for a mining location in the Yukon Territory not provided for by the mining regulations already in force, the Minister of the Interior may issue a lease subject to the same conditions as to size and otherwise, and conferring the same rights as a lease issued under these regulations for a location acquired at public competition ; provided that the Commissioner has reported that it has been proved to his satisfaction that the applicant himself, or a person acting for him, was upon and actually prospected prior to the date hereof the ground included in the location, and provided further that the Gold Commissioner has reported that the ground included in the location is not being worked and is not suitable to be worked under the regulations governing placer mining. But under this section no person shall be given a lease for more than one location.

4. The unreserved locations not disposed of under the next preceding section shall be offered at public competition, and awarded to the highest bidder after being advertised in such manner and at such time as the Minister of the Interior may direct ; and to the person or corporation to whom any such location may be awarded at such competition the Minister of the Interior may, after such person or corporation has obtained a free miner's certificate as provided in the regulations governing placer mining, and filed in the Department of the Interior at Ottawa, within a period to be fixed by the Minister, a Dominion Land Surveyor's plan of the location, issue a lease of the same for a term not exceeding twenty years, such lease to be renewable for a further period of twenty years upon the performance to the satisfaction of the Minister of the Interior of the conditions imposed thereby.

5. In addition to the bonus offered there shall be paid in advance by each lessee an annual rental of $150 for each mile of frontage ; and the same royalty shall be paid upon the out-put of gold as is provided or may hereafter be provided in the case of placer claims, except that there shall be exempted from such royalty $25,000 of the annual out-put, the royalty to be paid in the manner provided in the regulations governing placer mining.

6. The lease shall be in such form and contain such conditions, not inconsistent with these regulations, as may be approved of by the Minister of the Interior.

7. The lessee shall be required to begin active operations on his location within one year from the date of his lease, and he shall be required to expend in operating his location not less than $5,000 during each year from the date of the lease.

8. The lease shall not convey the right to mine for any minerals other than the precious metals nor shall it convey the right to engage in quartz mining otherwise than in accordance with and subject to the regulations governing quartz mining ; and it shall reserve to free miners the right to enter upon the location covered by it, take up, locate and mine for minerals, in veins or lodes in the manner provided in the said regulations.

9. The lessee shall have the exclusive right to enter upon and occupy his location for the purpose of mining thereon, but the lessee shall not prevent free ingress and egress to any person requiring to cross his location or the conveyance thereover of any mining appliances, apparatus or plant which may be required in the working of any other mining ground ; and the lessee's right or occupation shall be subject to all orders which may be made by the Minister of the Interior, or the Gold Commissioner as to such right of way, and also for ditches, flumes or tramways as may by the said Minister or Gold Commissioner be considered necessary or advisable in order to facilitate the working of any other mining ground, and subject further to such orders as may be made by the Minister of the Interior or the Commissioner of the Yukon Territory as to the right of way for railways, roads or other public works.

10. The lessee's right to water on his location or to the diversion of water in connection with his operations thereon shall be subject to the regulations approved by Order in Council of the 3rd August, 1898.

11. The holder of a lease may cut, free of dues, such of the timber on a location as may be necessary for working the same in connection with his mining operations, but not for sale or traffic, except in cases where such timber has been granted or disposed of prior to the date of the lease ; provided that the Commissioner of the Yukon Territory may grant a permit to a lease-holder to cut and sell any timber which it is necessary to remove in order to work the location, and may permit any person to cut and remove from a location cordwood for his own use, when such cordwood cannot otherwise be had within a reasonable distance ; but no such permit shall convey the right to cut or remove wood required by the lessee for his mining operations.

12. In case any lessee shall at any time make default in the payment of the rental or the royalty payable under these regulations, or shall make default in the performance of the conditions imposed by these regulations, or by the lease, the Gold Commissioner may post a notice in a conspicuous place upon the location in connection with which such default has been made, and may mail a copy of such notice to the last address of the lessee known to the Commissioner, requiring such default to be remedied, and in case such default is not remedied within three months of the date of the posting of the notice upon the location all the rights of the lessee under the lease and under these regulations shall be and become *ipso facto* null and void.

13. When it is decided to hold any ground for the purpose of the same being included in locations under these regulations the Gold Commissioner shall cause a notice to that effect to be posted in a prominent and conspicuous place in the office of the Mining Recorder of the district in which the ground is situate ; and after the posting of such notice no occupation or right under the regulations governing placer mining shall be recognized on any ground so held ; but any *bona fide* occupation or right acquired under such

regulations prior to the posting of such notice shall be recognized, and the Gold Commissioner shall make provision for the miner who has acquired such occupation or right being protected in the same.

14. ATTENDU que dans et par un contrat ou arrangement conclu entre le commissaire en chef des chemins de fer pour la province de la Nouvelle-Ecosse, et William Henry Punchard, Frederick Barry et Edwin Clark, daté le ou vers le vingt-deuxième jour de novembre, en l'année de Notre Seigneur mil huit cent soixante-six, et en vertu des conditions et dispositions d'un acte de la Grande Assemblée de Notre province de la Nouvelle-Ecosse, passé en la trentième année de Notre règne, chapitre trente-six, et intitulé : "An Act to incorporate the Windsor and Annapolis Railway Company," il fut accordé à la Compagnie de chemin de fer Windsor et Annapolis un drawback du montant des droits de douane et d'importation payés sur tous matériaux et effets requis pour la construction et l'exploitation du chemin de fer appartenant à la dite compagnie ;

Et attendu que dans et par un acte du parlement du Canada, passé en les cinquante-huitième et cinquante-neuvième année de Notre règne, chapitre quarante-sept, et intitulé "Acte constituant en corporation la Compagnie du chemin de fer Dominion-Atlantic" il est entre autres choses en substance statué, que la dite Compagnie de chemin de fer Dominion-Atlantic aurait le pouvoir d'acheter toute la propriété en Canada de la dite Compagnie de chemin de fer Windsor et Annapolis, avec tous ses terrains, immunités, pouvoirs, droits, privilèges, équipements, gares, outillage, matériel roulant, matériaux, approvisionnements et dépendances ; et attendu que la dite Compagnie de chemin de fer Dominion-Atlantic a dûment acheté la dite propriété de la Compagnie du chemin de fer Windsor et Annapolis, avec tous ses dits terrains, immunités, pouvoirs, droits, privilèges, équipements, gares, outillage, matériel roulant, matériaux, approvisionnements et appartenances ;

Et considérant que dans le dit acte en dernier lieu mentionné il a aussi été en substance statué que Notre Gouverneur en conseil pourra passer une convention avec la dite Compagnie de chemin de fer Dominion-Atlantic, pourvoyant à la commutation et l'abandon de tout droit ou privilège au sujet du drawback des droits de douane ou d'importation en vertu du dit contrat ou engagement passé entre le commissaire en chef des chemins de fer de la Nouvelle-Ecosse et William Henry Punchard, Frederick Barry et Edwin Clark, en considération du paiement en argent de telle somme qui sera convenue et mentionnée dans la dite convention ; et que Notre Gouverneur en conseil pourra, lors de la signature de la dite convention, abroger par proclamation toute disposition de tout acte de la législature de la Nouvelle-Ecosse ou du parlement du Canada conférant le droit ou privilège ainsi commué.

Et attendu que le septième jour d'octobre, en l'année de Notre-Seigneur mil huit cent quatre-vingt-dix-huit, un arrangement pour la commutation et abandon des dits droits ou privilèges au sujet du drawback des droits de douane ou d'importation a été dûment conclu entre Notre Gouverneur en conseil et la dite Compagnie de chemin de fer Dominion-Atlantic, et a été dûment exécuté en considération de la somme de cent mille piastres à payer à la dite compagnie ; et attendu que la dite somme de cent mille piastres a été dûment payée à la dite Compagnie de chemin de fer Dominion-Atlantic, le dix-neuvième jour d'octobre de l'année de Notre-Seigneur mil huit cent quatre-vingt-dix-huit,—

SACHEZ donc que par et avec l'avis de Notre Conseil privé du Canada, et par Notre présente proclamation, Nous abrogeons toutes et chacune des dispositions des actes de la législature de Notre province de la Nouvelle-Ecosse et du parlement du Canada accordant à la dite Compagnie de chemin de fer Windsor et Annapolis ou à la dite Compagnie de chemin de fer Dominion-Atlantic, ou en vertu desquelles la Compagnie de chemin de fer Dominion-Atlantic jouit ou peut jouir de tout droit ou privilège au sujet ou drawback des droits de douane ou d'importation en vertu du dit contrat ou arrangement entre le Commissaire en chef des chemins de fer pour Notre province de la Nouvelle-Ecosse et William Henry Punchard, Frederick Barry et Edwin Clark, daté le ou vers le vingt-deuxième jour de novembre en l'année de Notre-Seigneur mil huit cent soixante-six, mais sans préjudice à tout droit de la dite compagnie de recouvrer en vertu du dit arrangement et des dits actes de la législature de Notre province de la Nouvelle-Ecosse et du parlement du Canada un remboursement de tous droits de douane ou d'importation à Nous payés jusqu'au dix-neuvième jour d'octobre en l'année de Notre Seigneur mil huit cent quatre-vingt-dix-huit, que la dite compagnie aurait pu recouvrer si l'abandon fait par la dite Compagnie de chemin de fer Dominion-Atlantic le septième jour d'octobre en l'année de Notre Seigneur mil huit cent quatre-vingt-dix-huit du susdit droit ou privilège n'avait pas été exécuté, ou si les dites dispositions des dits actes n'avaient pas été abrogées.

De ce qui précède Nos féaux sujets et tous ceux que les présentes peuvent concerner, sont par les présentes requis d'en prendre avis et d'agir en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes, et à icelles fait apposer le Grand Sceau du Canada. ARRETÉS EN CONSEIL.

[2741]

HOTEL DU GOUVERNEMENT À OTTAWA.

Samedi, le 3e jour de décembre 1898.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

CONSIDÉRANT que des demandes ont été reçues pour des emplacements dans le territoire du Yukon, à l'effet d'exploiter le terrain par la méthode hydraulique, ou par d'autres moyens exigeant des opérations sur une grande échelle ;

Et considérant qu'il convient de prendre des mesures pour mettre à part le terrain propre à ce genre d'exploitation, et qu'il serait dans l'intérêt du public d'offrir à l'enchère le droit d'exploiter le terrain ainsi mis à part, tout en prenant des mesures pour la protection des personnes qui, par eux-mêmes ou par d'autres agissant pour elles ont déjà prospecté un certain terrain pour lequel il ont déposé leurs demandes,—

A ces causes il a plu à Son Excellence, par et avec l'avis du Conseil privé de la Reine pour le Canada, d'établir, et il établit par le présent, les règlements ci-dessous pour la concession d'emplacements miniers qui seront exploités par le procédé hydraulique ou autre :—

1. Les emplacements sur un ruisseau, cours d'eau ou plateau dans le territoire du Yukon auront un front en ligne directe de un à cinq milles de longueur, selon que le décidera le Ministre de l'Intérieur, et une profondeur d'un mille ; mais lorsque cet emplacement est situé dans une vallée sa profondeur pourra s'étendre jusqu'aux limites de la vallée si le Ministre de l'Intérieur en ordonne ainsi ; pourvu que dans le cas d'un emplacement situé sur un ruisseau ou cours d'eau la profondeur de cet emplacement sera mesurée à partir de la marque de l'eau basse, et le bail de cet emplacement sera assujéti à tout bail pour le dragage de ce ruisseau ou cours d'eau qui aura pu être émis antérieurement à la date du bail de l'emplacement.

2. Jusqu'à ce que le Ministre de l'Intérieur en ordonne autrement, chaque claim alternatif sera réservée.

3. A toute personne qui, antérieurement à la date du présent a déposé une demande au département de l'Intérieur à Ottawa, ou dans le bureau du Commissaire du territoire du Yukon, ou dans le bureau du Commissaire des mines d'or pour un emplacement minier dans le territoire du Yukon ne tombant pas sous les règlements miniers déjà en force, le Ministre de l'intérieur pourra délivrer un bail sujet aux mêmes conditions quant à la dimension et autrement, et conférant les mêmes droits qu'un bail délivré en vertu des présents règlements pour un emplacement acquis à l'enchère publique ; pourvu que le Commissaire ait fait rapport qu'il a été prouvé à sa satisfaction que le requérant même, ou une personne agissant pour lui, était sur le terrain et avait actuellement prospecté le terrain compris dans l'emplacement avant la date du présent ; et pourvu de plus que le Commissaire des mines d'or ait fait rapport que le terrain compris dans l'emplacement n'est pas exploité et n'est pas propre à être exploité en vertu des règlements concernant les mines alluviales. Mais en vertu du présent article personne ne recevra un bail pour plus d'un emplacement.

4. Les emplacements non réservée qui ne sont pas concédés en vertu de l'article immédiatement précédent, seront offerts à l'enchère, et adjugés au plus haut enchérisseur, après avoir été annoncés en la manière et aux époques que le Ministre de l'Intérieur décidera ; et à la personne ou corporation à laquelle un tel emplacement aura été adjugé à cette enchère, le Ministre de l'Intérieur pourra,—après que cette personne ou corporation aura obtenu un certificat de mineur libre tel que prescrit par les règlements concernant les mines alluviales, et avoir déposé au département de l'Intérieur à Ottawa, sous un délai que fixera le Ministre de l'Intérieur, un plan de l'emplacement exécuté par un arpenteur fédéral,—délivrer un bail pour cet emplacement pour un terme de vingt ans au plus ; ce bail sera renouvelable pour une autre période de vingt ans si les conditions imposées par le bail ont été remplies à la satisfaction du Ministre de l'Intérieur.

5. En sus du boni offert, il sera payé à l'avance par chaque locataire une rente annuelle de $150 pour chaque mille de front ; et le même droit régalien sera payé sur le rendement d'or tel que prescrit ou sera ci-après prescrit dans le cas d'emplacements de mines alluviales, sauf que $25,000 du rendement annuel seront exemptées de ce droit régalien, le droit régalien devant être payé en la manière prescrite dans les règlements concernant les mines alluviales.

6. Le bail sera d'une forme et contiendra les conditions non incompatibles avec les présents règlements' qu'approuvera le Ministre de l'Intérieur.

7. Le locataire sera tenu de commencer les opérations sur son emplacement sous un an de la date de son bail, et il sera tenu de dépenser dans l'exploitation de son emplacement pas moins que $5,000 durant chaque année de son bail.

8. Le bail ne comportera pas le droit de miner pour d'autres minéraux que les métaux précieux, il ne comportera pas non plus le droit de s'engager dans les mines de quartz autrement qu'en conformité et sujet aux règlements des règlements concernant les mines de quartz, et il réservera aux mineurs libres le droit d'entrer sur l'emplacement couvert par le bail, prendre, choisir et extraire des minéraux, dans des veines ou filons en la manière établie par les dits règlements.

9. Le locataire aura le droit exclusif d'entrer sur et d'occuper son emplacement pour des fins d'extraction, mais le locataire n'empêchera pas la libre entrée et sortie de toute autre personne obligée de traverser son emplacement, ou d'y transporter tous appareils accessoires ou outillage d'extraction qui seraient nécessaires dans l'exploitation de tout autre terrain minier ; et le droit ou occupation du locataire sera assujéti à tous arrêtés qui seront adoptés par le Ministre de l'Intérieur ou le Commissaire des mines d'or au sujet du droit de passage, et aussi au sujet des fossés, conduites d'eau ou tramways que le dit Ministre ou Commissaire des mines d'or jugeront nécessaires ou avantageux pour faciliter l'exploitation de tout autre terrain minier, et sujet de plus à tels arrêtés que le Ministre de l'Intérieur ou le Commissaire des mines d'or du territoire du Yukon adopteront relativement au droit de passage pour les chemins de fer, chemins ou autres travaux publics.

10. Le droit du locataire à l'eau sur son emplacement, ou au détournement de l'eau en rapport avec les opérations, sera soumis aux règlements approuvés par arrêté en conseil du 3 d'août 1898.

11. Le porteur d'un bail pourra abattre, sans payer de droits, telle partie du bois de construction sur son emplacement qui sera nécessaire pour l'exécuter relativement à ses opérations minières, mais non pour la vente ou le trafic sauf dans les cas où ce bois de construction a été concédé ou vendu préalablement à la date du bail ; pourvu que le Commissaire du territoire du Yukon pourra accorder un permis à un locataire pour abattre et vendre tout bois de construction qu'il serait nécessaire d'enlever afin de pouvoir exploiter l'emplacement, et pourra permettre à toute personne d'abattre et d'enlever d'un emplacement du bois de chauffage pour son propre usage, lorsque ce

bois de chauffage ne peut s'obtenir autrement dans une distance raisonnable ; mais nul tel permis ne comportera le droit d'abattre ou d'enlever du bois dont a besoin le locataire pour ses opérations minières.

12. Si en aucun temps le locataire fait défaut dans le paiement de la rente ou du droit régalien payable en vertu des présents règlements, ou fait défaut dans l'exécution des conditions imposées par les présents règlements, ou par le bail, le Commissaire des mines d'or pourra afficher un avis dans un endroit bien en vue sur l'emplacement à l'égard duquel ce défaut a eu lieu, et pourra envoyer par la poste une copie de cet avis à la dernière adresse du locataire connue du Commissaire, demandant que ce défaut soit remédié, et si ce défaut n'est pas remédié sous trois mois de la date de l'affichage de l'avis sur l'emplacement tous les droits du locataire en vertu du bail et en vertu des présents règlements seront et deviendront *ipso facto* nuls.

13. Lorsqu'il est décidé de retenir un terrain quelconque dans le but de l'inclure dans des emplacements en vertu des présents règlements, le Commissaire des mines d'or fera afficher un avis dans un endroit bien en vue dans le bureau du Régistrateur des mines du district dans lequel le terrain est situé ; et après l'affichage de cet avis, ni occupation ni droit en vertu des règlements concernant les mines alluviales ne sera reconnu sur le terrain ainsi retenu ; mais toute occupation ou droit *bona fide* acquis en vertu de ces règlements antérieurement à l'affichage de cet avis sera reconnu, et le Commissaire des mines d'or veillera à ce que le mineur qui a acquis cette occupation ou droit soit protégé sous ce rapport.

14. S'il se présente des cas non prévus dans les présents règlements, les dispositions concernant la concession de terrains miniers autres que terrains houillers, approuvées par Son Excellence le Gouverneur en conseil le 21 de mars 1898, et des règlements concernant les mines alluviales approuvés le 18 janvier 1898, ou tels autres règlements qui y seront substitués, s'appliqueront.

DEMANDES AU PARLEMENT.

Règles *in re* Avis de bills privés.

Dans le cas de toute demande de bills privés, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, ayant pour objet la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, ou le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société ; ou ayant pour objet quelque amendement à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande (sauf s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part est nécessaire et doit être publié comme il suit :—

Dans les provinces de Québec et du Manitoba.

Dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français, du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district ; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces ou territoires.

Dans la *Gazette du Canada*, et dans un journal du comté, du district ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal alors la publication doit se faire dans un journal du comté ou district le plus voisin où il s'en publie. La publication de ces avis durera, dans chaque cas, la période de deux mois au moins pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Des exemplaires marqués de tous les numéros des journaux reproduisant la première et la dernière insertion de l'avis, devront être transmis au greffier de chaque Chambre, et porter à l'endos " Demande de bill privé."

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, les pétitionnaires devront aussi, en même temps et de la même manière, donner avis du taux de péages projeté, de l'étendue du privilège, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piles pour le passage des radeaux et des navires ; et, si c'est un pont mobile, quelles en seront les dimensions.

Toute personne désirant obtenir un bill privé devra, dans les huit jours au moins qui précéderont l'ouverture du parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance, une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Après la seconde lecture et avant la prise en considération du bill par tout comité, le pétitionnaire aura aussi à payer au greffier du Sénat, ou au comptable de la Chambre des Communes (selon le cas) un honoraire de $200, plus une somme suffisante pour défrayer le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé.

L'honoraire de $200 payable sur tout bill privé, ne sera payé que dans la Chambre où ce bill a pris naissance ; mais les frais de réimpression et de traduction nécessités par ce bill seront payés dans la Chambre où ces frais sont encourus.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par le Sénat ou par la Chambre des Communes, après les premières trois semaines de la session.

Aucun bill privé ne pourra être présenté au Sénat ou à la Chambre des Communes après les premières quatre semaines de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

JOHN GEORGE BOURINOT,
Greffier des Communes.

Règle spéciale du Sénat.

49. (*c*.) Chaque fois qu'un bill doit opérer dans plus d'une province, territoire ou district, l'avis sera publié dans la *Gazette du Canada* et dans un journal bien établi publié dans chaque province, territoire ou district où le bill doit opérer.

Ordre permanent.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

EDOUARD J. LANGEVIN,
Greffier du Sénat.

Règles additionnelles de la Chambre des Communes concernant les bills privés.

Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills ; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails ; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général ; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et réimprimés à leurs frais, avant qu'aucun comité en examine les clauses.

51*a*. Tous les bills privés pour chartes ou pour modification de chartes de compagnies de chemins de fer seront rédigés conformément au bill-modèle dont copie peut être obtenue du greffier de la Chambre ;

(*a*.) Les dispositions contenues dans un bill quelconque qui ne seront pas conformes au bill-modèle, seront insérées entre crochets, et après avoir été revisées par l'officier compétent, elles seront imprimées ainsi ; et les bills qui ne seront pas rédigés en conformité de cette règle seront renvoyés aux auteurs pour être remodelés avant leur revision et impression ;

(*b.*) Toutes clauses d'actes existants que l'on proposera de modifier, seront imprimées en entier, avec les amendements insérés en leur lieu et place, et entre crochets ;

(*c.*) Toutes dispositions exceptionnelles que l'on proposera d'insérer dans un bill quelconque, seront imprimées dans l'avis publié.

51*b.* Nul bill pour la constitution légale d'une compagnie de chemin de fer ou pour changer le tracé du chemin de fer d'une compagnie déjà constituée ne sera pris en considération par le comité des chemins de fer à moins qu'il n'ait été donné au comité, au moins une semaine avant la prise en considération du bill—

(*a.*) Une carte ou plan a l'échelle de pas moins d'un demi-pouce au mille, indiquant le territoire sur lequel l'on se propose de construire les travaux projetés, ainsi que les lignes de travaux analogues existants ou autorisés, dans les limites du district, ou partie du district que la ligne projetée doit desservir, ou affectant le dit district en aucune manière ; cette carte ou plan devra être signé par l'ingénieur ou toute autre personne qui l'aura fait ;

(*b.*) Un exhibit faisant connaître le montant total du capital que l'on se propose de prélever pour les fins de l'entreprise, et la manière dont on se propose de le prélever, soit au moyen d'actions ordinaires, obligations, débentures ou autres garanties, et le montant respectif de chacune.

JOHN GEORGE BOURINOT,
Greffier des Communes.

ORDRE SPÉCIAL DE LA CHAMBRE DES COMMUNES.

Résolu.—Que le greffier de la Chambre adresse une copie de la Règle 49 modifiée aux personnes qui signifient dans la *Gazette du Canada* leur intention de s'adresser au parlement pour la passation d'un bill privé, ainsi qu'un avis portant que la dite Règle sera strictement appliquée à l'avenir :—

49. Les pétitions pour bills privés ne seront reçues par la Chambre que pendant les trois premières semaines de la session, et les bills privés ne pourront être présentés à la Chambre que pendant les quatre premières semaines de la session ; et tout comité auquel aura été renvoyé un bill privé devra le prendre en considération et en faire rapport à la Chambre avec toute la diligence convenable.

2. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être considérées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés."

JOHN GEORGE BOURINOT,
Greffier des Communes.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

L'époux qui a l'intention de demander un bill de divorce doit faire connaître cette intention, ainsi que les noms de l'autre époux et la cause du divorce, par avis inséré durant six mois avant la présentation de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Colombie-Britannique, ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; mais si ce nombre de journaux ne s'y trouve pas, l'avis sera publié dans le district, le comté ou les comtés-unis voisins. Il doit être signifié, à la diligence de l'époux pétitionnaire, un mois au moins avant la présentation de la pétition, une copie de cet avis à l'autre époux en personne, si cela est possible.

Elle énoncera sommairement le fait du mariage, le lieu et l'époque de sa célébration, les noms du célébrant, les griefs qui donnent lieu à la demande de redressement et la nature du redressement demandé, et en outre contiendra assurance qu'il n'y a pas eu réconciliation, collusion ni connivence. Les allégations de la pétition seront appuyées de la déclaration du petitionnaire faite en vertu de "l'Acte de la preuve en Canada, 1893."

Huit jours avant l'ouverture du Parlement, le pétitionnaire déposera au bureau du greffier du Sénat, une copie en langue anglaise ou française du bill de divorce qui doit être présente, et en même temps une somme suffisante pour payer la traduction et l'impression et tirage à 600 exemplaires anglais et 200 exemplaires français de ce bill.
